

OLIVIA

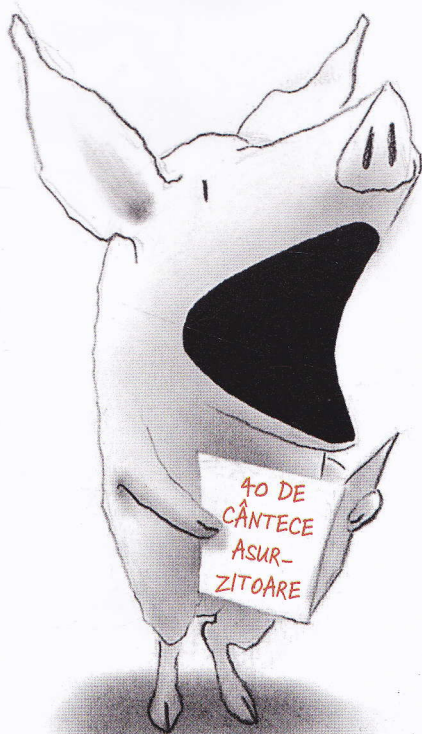

Text și ilustrații de Ian Falconer

Traducere din engleză de Laura Albulescu

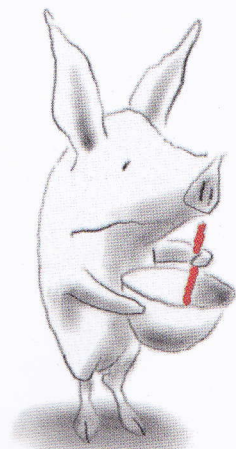

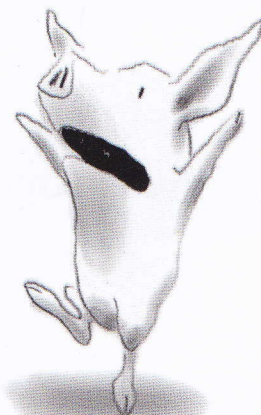

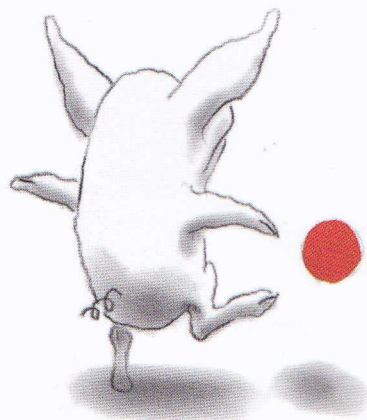

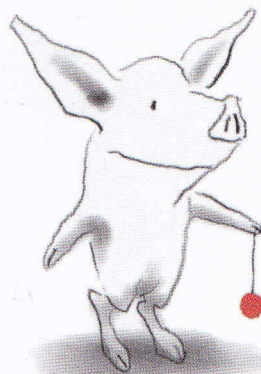

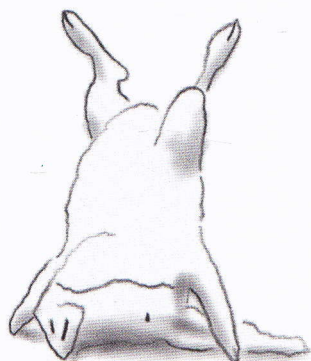

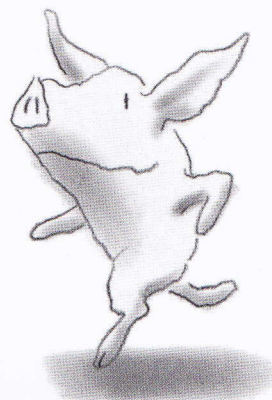

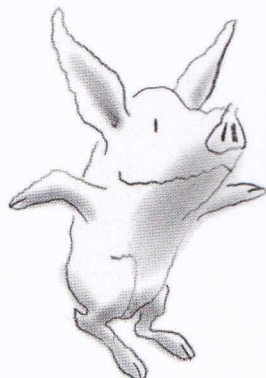

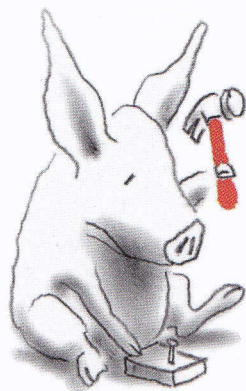

Adevăratei Olivia și fratelui ei Ian,
dar și micuțului William,
care a aterizat prea târziu printre noi
pentru a apărea în această carte.

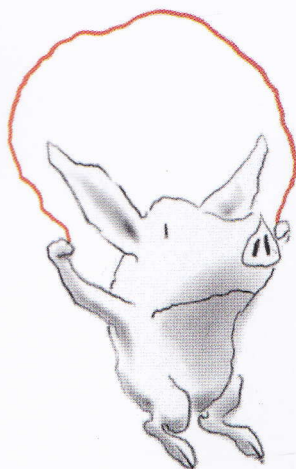

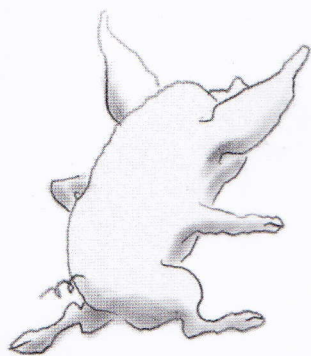

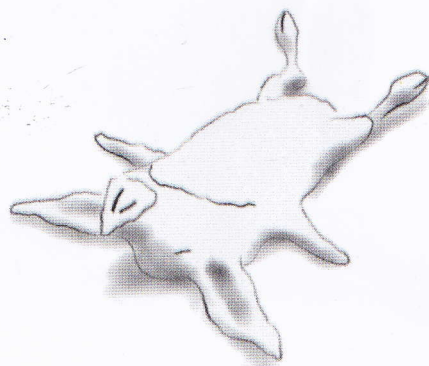

V-o prezint pe Olivia.
Talentele domnișoarei sunt fără număr.

De pildă, se pricepe *de minune* să te stoarcă de vlagă.

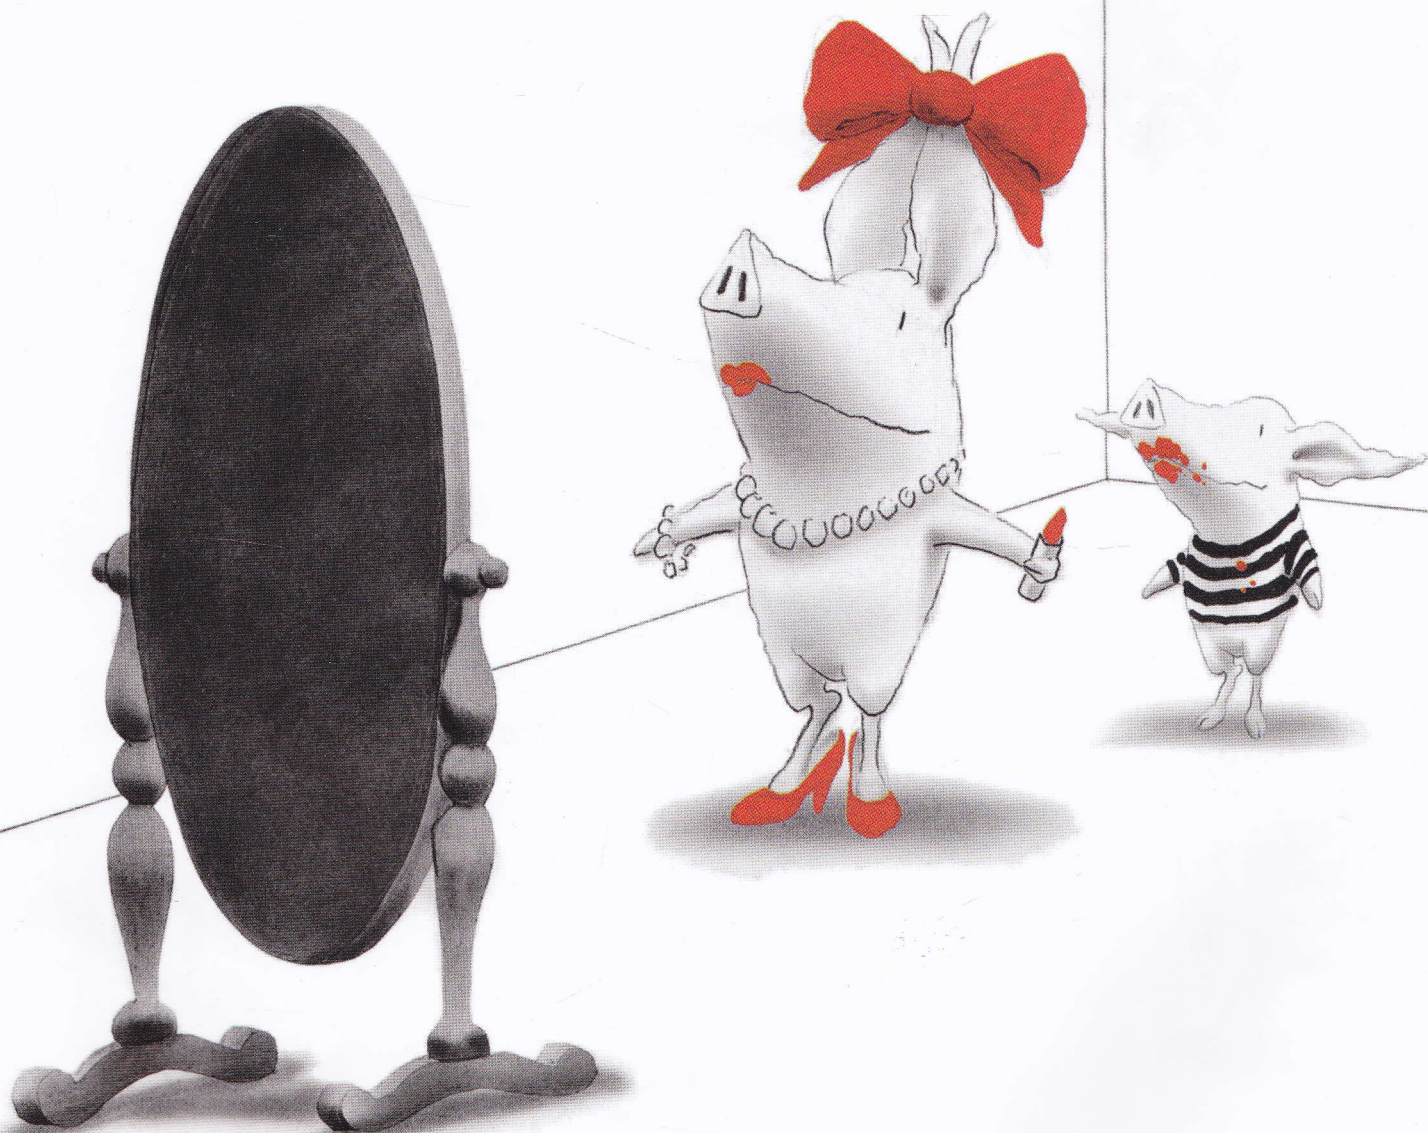

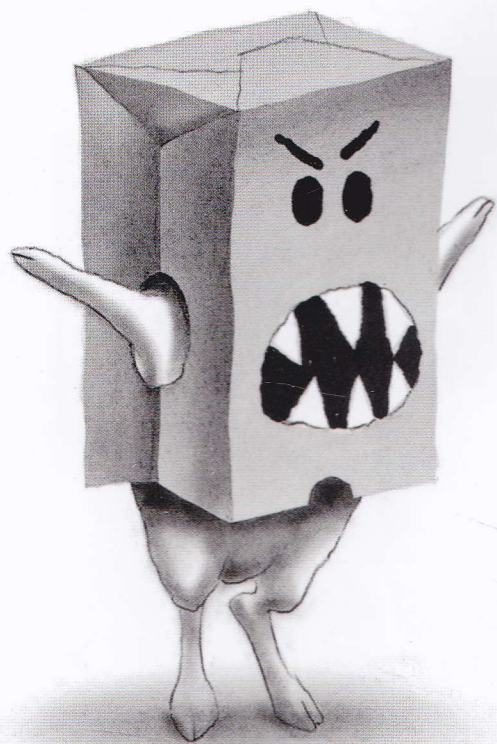

Ba chiar reușește să se stoarcă
singură de orice vlagă.

Olivia mai are un frățior, pe care îl cheamă Ian.
Micuțul nu iese niciodată din cuvântul ei.

Uneori, când pur și simplu nu mai scapă de Ian, care se ține ca o umbră după ea, Olivia trebuie să ia măsuri radicale.
