

Carte de colorat și activități de

logică

În dungi

Unește fiecare șosetă de bulina cu aceleași culori.

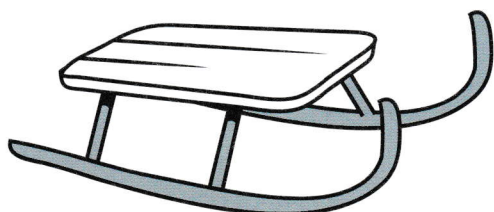

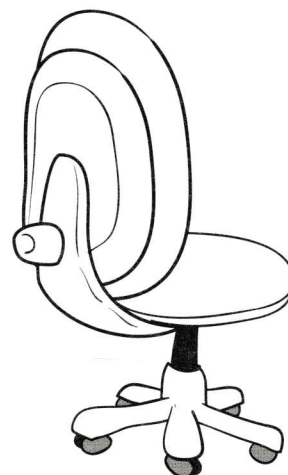

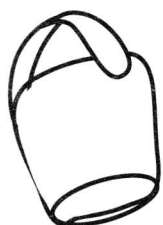

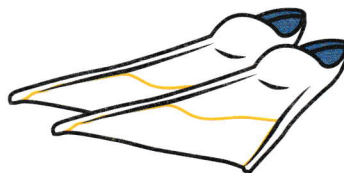

Locul său nu e aici!

Crezi că toate trebuie colorate cu galben? Caută mai bine și vei găsi ceva care are, în realitate, altă culoare. Încercuiește ce-ai găsit!

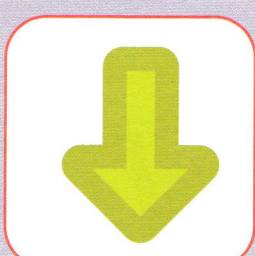

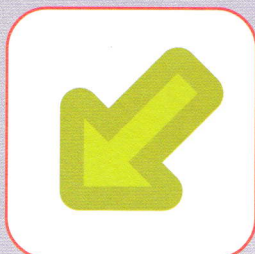

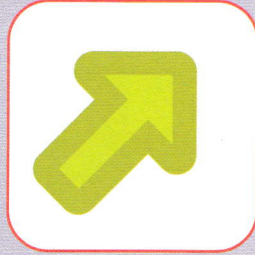

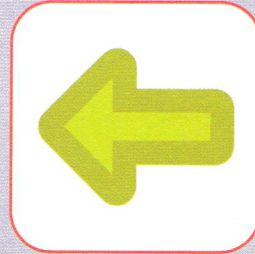

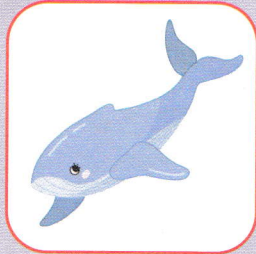

La mare!

Colorează obiectele pe care baiatul trebuie să le ia cu el la mare!

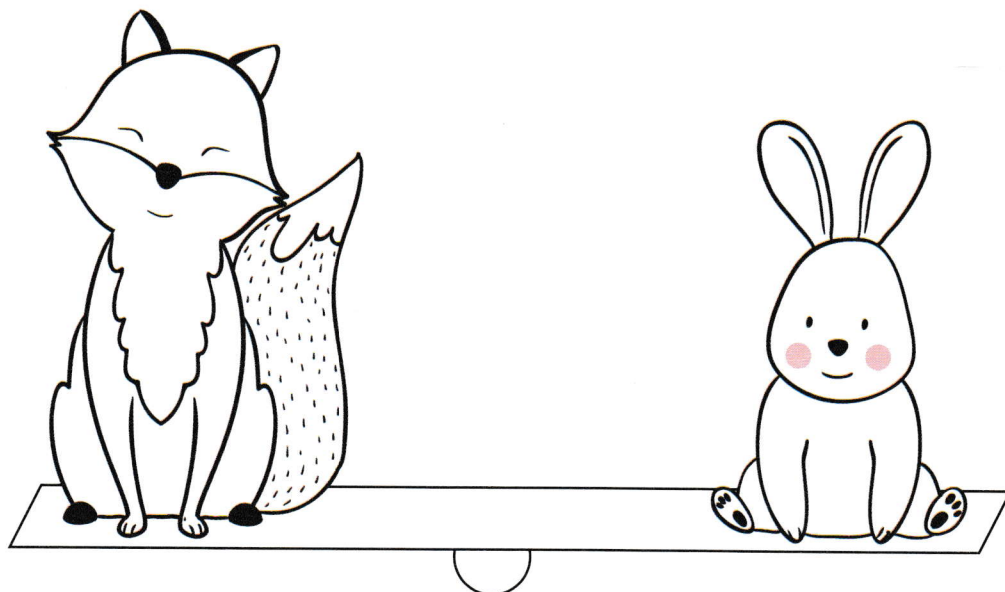

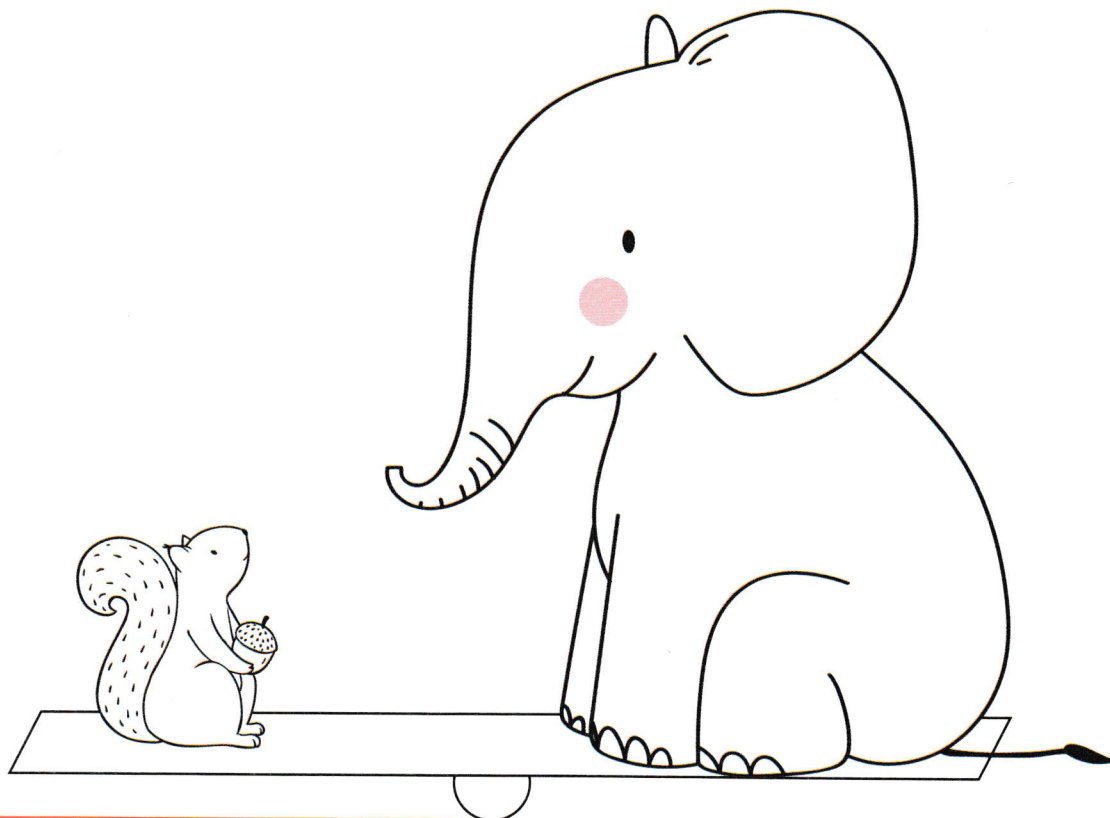

Încotro?

Unește fiecare element de pe coloana din stânga de săgeata ce indică direcția sa.

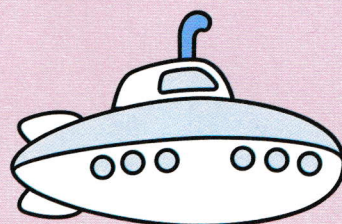

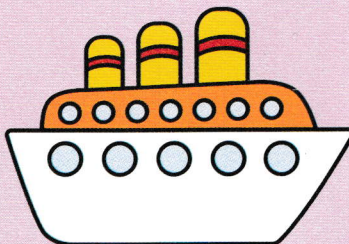

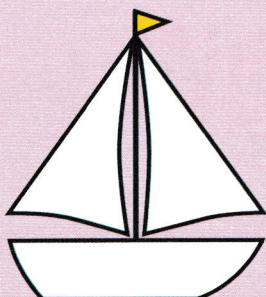

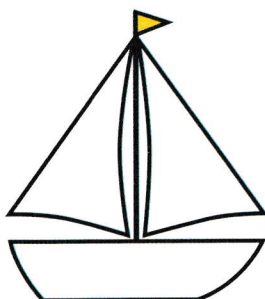

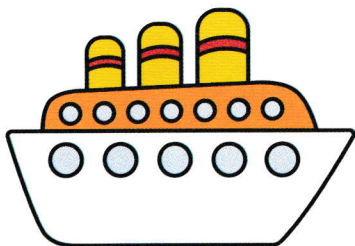

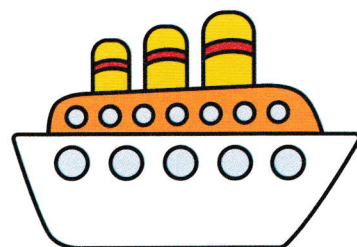

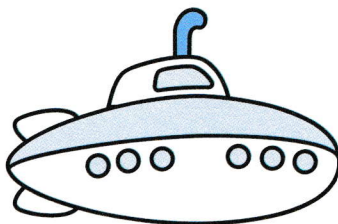

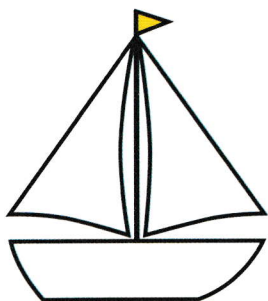

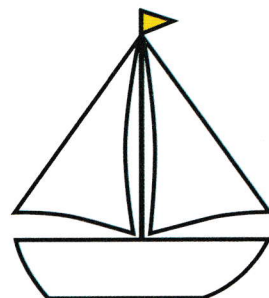

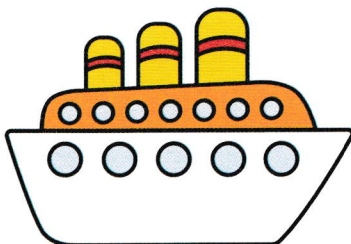

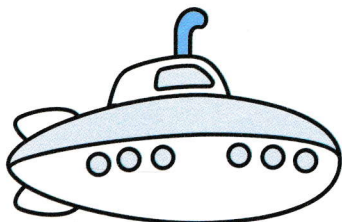

Colorează în ambele imagini animalul mai greu. În ce parte ar trebui să se încline leagănul?

Plutind pe apă

Ce vas ar trebui să se afle în ultima căsuță?
Încercuiește-l în șirul de jos, apoi colorează doar
bărcile cu pânze.

Unde dorm animalele?

Unește fiecare animal de adăpostul său. Colorează-l pe cel care îți place cel mai mult.
