My role model is my father. He is the person I *admire* and I *aspire* to be like him in the future. My brother and I *interact* with our parents a lot, but our father is the one who plays games and sports with us. He is a teacher of Physical Education and we tend *to copy* his behaviour all the time. He is also a champion and has a lot of medals. Our father *encourages* us to be *creative* and hardworking. I know that what we learn from him is important and I know he is the best.
