

1. Drumul spre casă.

Uneste, cu ajutorul liniilor, cifrele de la 1 până la 10, ca să arăți păsării drumul spre căsuța ei din copac.

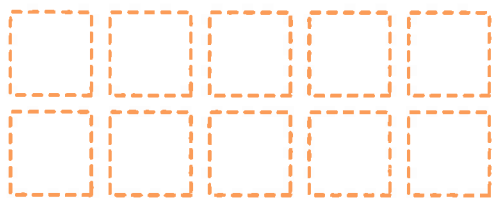

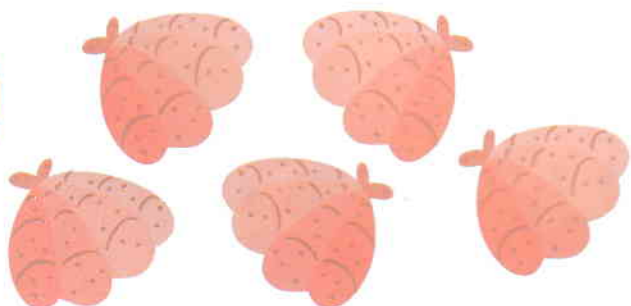

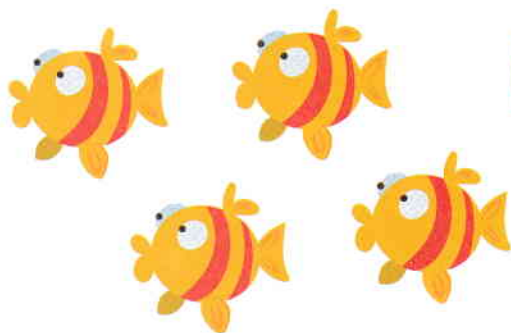

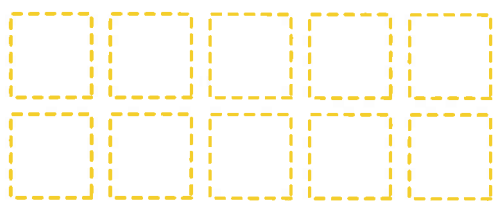

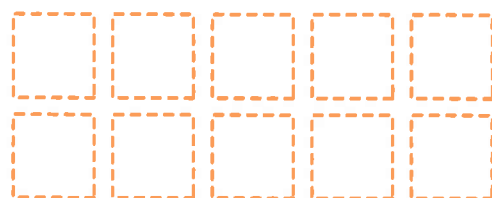

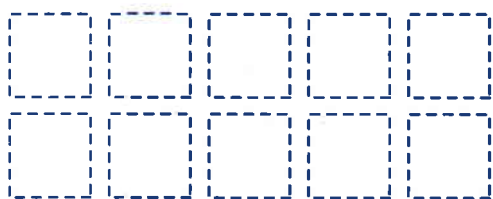

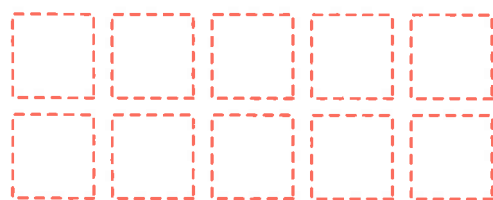

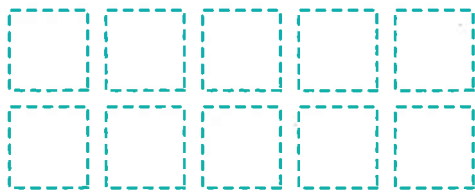

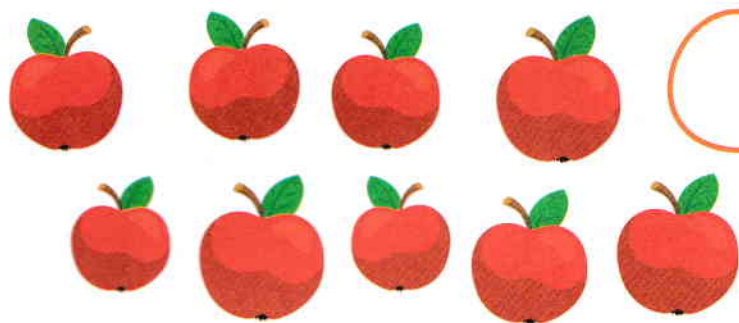

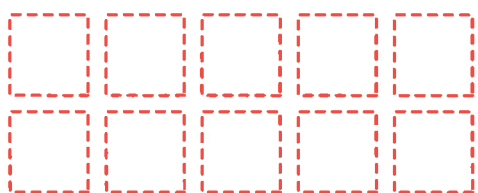

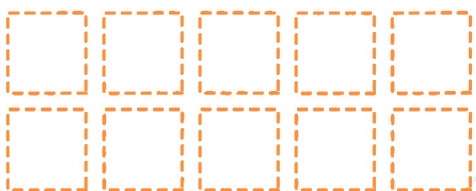

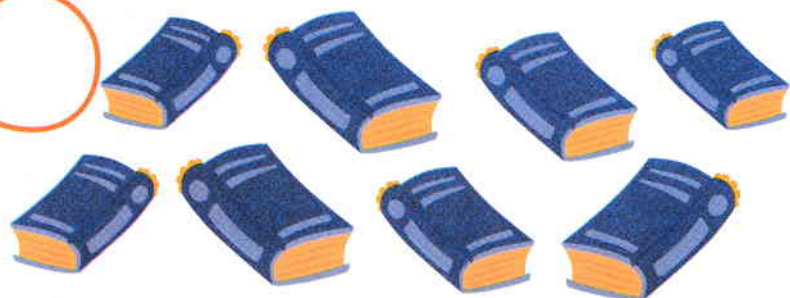

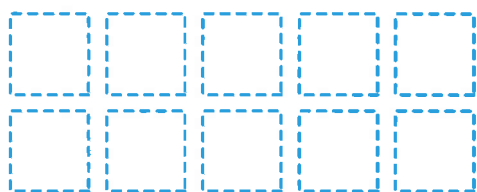

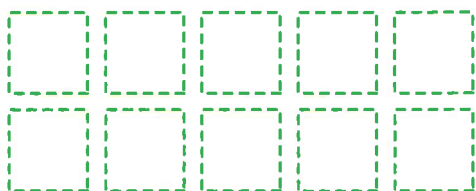

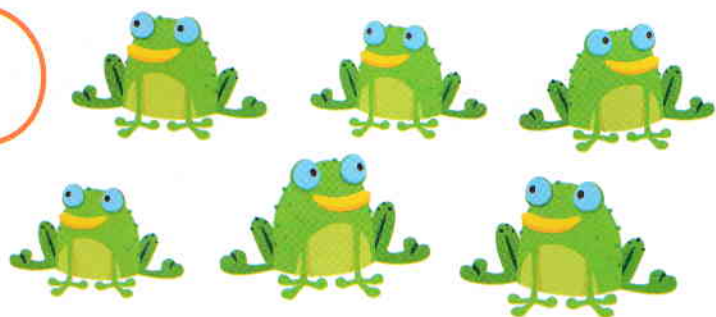

Pentru ca să ajungă racheta pe planetă, unește steluțele de la 1 până la 10.

2. Numără până la 10.

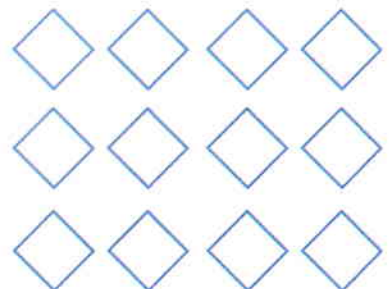

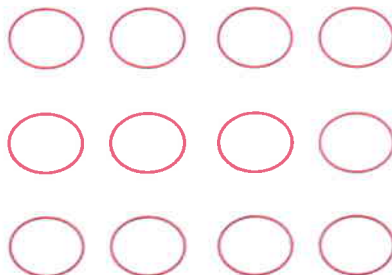

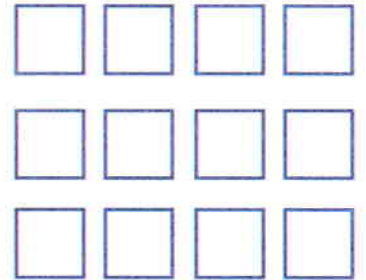

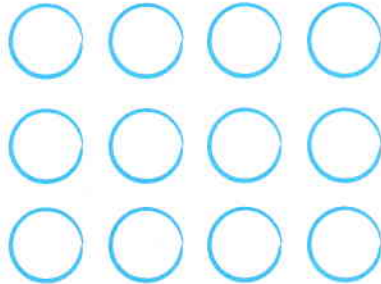

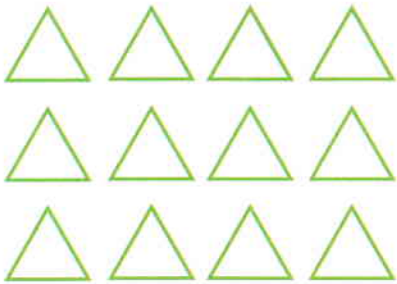

Numără obiectele, înscrie cifra în cerculețe și colorează tot atâtea pătrățele.

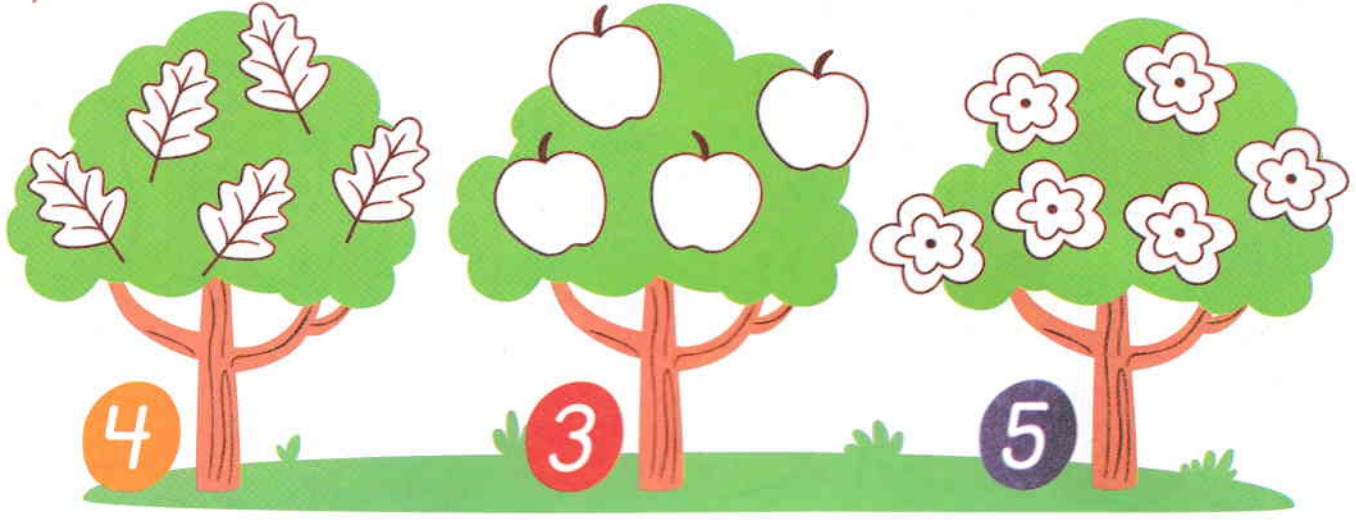

3. Sportivii pe teren.

Colorează atât de multe figuri geometrice cât indică cifra pe haina sportivilor.

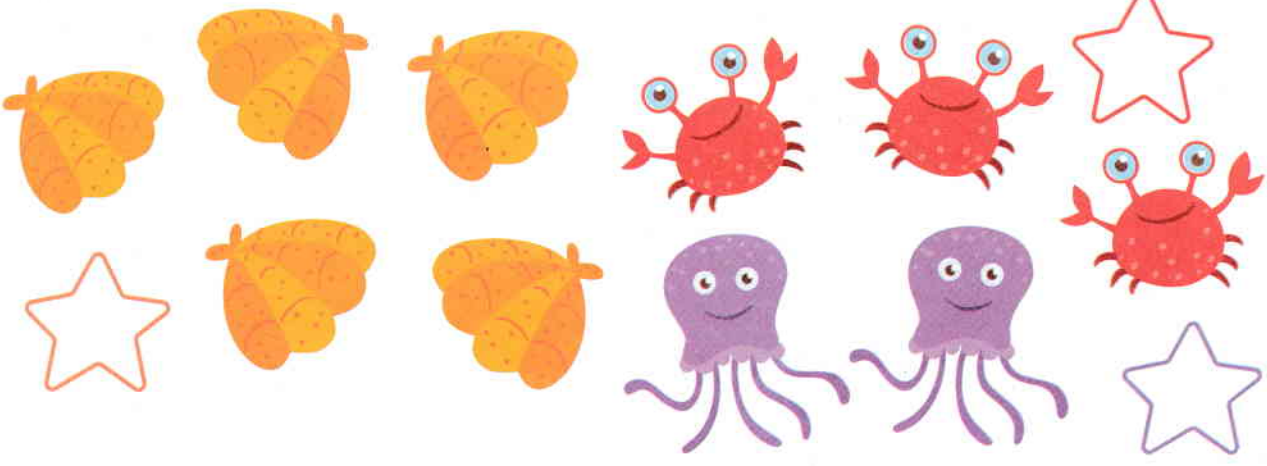

4. Numără și colorează.

Colorează atâtea frunze, mere și flori câte indică cifra de jos lângă fiecare copac.

Încercuiește grupurile de obiecte, numără-le și înscrie cifra în steluță.

Colorează atâtea petale cât indică cifra în fiecare floare.
