Julian the Tiger woke up early one day,
He was happy, joyful and excited to play.
He saw Dad ready for exercise,
putting on his shoes,
Julian looked at Dad and said
"I want to go too!"

Julian wanted to put his shoes on,
so Dad showed him how,
He did it all by himself, Dad was so proud.
They began their walk together
in the bright summer sun,
A day by Dad's side is always good fun.
