Limba modernă. Engleză. Clasa a III-a. Caietul elevului presentation

The authors have created through **Limba modernă. Engleză. Clasa a III-a. Caietul elevului** a material that reinforces the core vocabulary and grammar introduced in **Limba modernă. Engleză. Manual pentru clasa a III-a** and consolidates the pupils' skills development by offering:

Reading, matching and colouring puzzles, written practice at word level, listening input and opportunities for oral work.

Story follow-up activities and a values activity for each unit drawn from the message in the Pupil's Book story. Pronunciation activities that are particularly relevant to Romanian speakers.

An action sequence telling a story in simple language.

Topic-based skills work consolidating the language of the unit while developing all four language skills.

Double-page **Review sections** matching the Pupil's Book content. This includes a focus on **culture**, providing further reading and listening comprehension practice, and **Get it right!** to reinforce problematic linguistic areas for Romanian speakers.

Two **Revision** units covering and reinforcing the vocabulary and grammar of the previous units and providing a lot of extra skills work. Each **Revision** unit is followed by a **Term Test** which also provides performance descriptors.

A unit-by-unit **My review page** with a self-assessment section 'I can do'. This is an additional record of learning. It encourages pupils to reflect on their learning in a fun, simple way.

Fun games
and projects.
