

Denumeste imaginile. Lipeste autocolantele corespunzatoare sunetului de inceput pentru fiecare cuvânt.

Denumeste imaginile și reprezintă grafic cuvintele obținute, localizând litera corespunzătoare sunetului „a”, după model.

Privește imaginile și rostește, pentru fiecare, propoziții simple, formate din două cuvinte. Reprezintă-le grafic, prin dreptunghiuri colorate: primul cuvânt - dreptunghi albastru, al doilea cuvânt - dreptunghi roșu.
