Nick...

I love  
you.

## AUGUST

Um - I mean -  
I'm in love  
with you.

I...  
just  
wanted  
you to  
know.

And... you don't have to say it back yet...

Or ever, I guess?

I mean- I hope you do say it one day because I'm properly in love with you and I hope you'll feel the same way eventually but please don't feel pressured to-

Why were you talking to yourself?

I wasn't!!

You were!! We heard you!

You were like

oooooooooh Nick I love you soooooooooo much

That's it. Tickle time.

AAAAA NOOOO

It's probably too early. And if he doesn't feel the same, it'll just make things weird.

You don't think he feels the same?

You've been hanging out all summer.

He's literally obsessed with you.

So... it's my last chance to  
tell him this summer.
