“What’s this?” the old woman thinks. “A magic flower!”
The beautiful golden flower can heal people. It can also make
them young.
Mother Gothel’s face and body change. She’s young again!
“This flower’s mine!” she says, and hides it.

The King is very sad because his wife is sick.
His guards find the magic flower and bring it to him. It heals
the Queen and a princess is born.
Now, the magic is in the baby's golden hair.
