

Brain Gym

LEVEL 4

Written by: Laura Miller

Do you use any of these things every day? Which thing do you use the most? Are you pointing at the brain? You use your brain all the time.

It is like a very intelligent computer inside your head.

You can eat, sleep,
run, jump and think,
all because of your
brain!

Your brain is inside your head. But what does your brain look like?

Like this?

Or like this?

Or perhaps like this?

It looks like all three! It looks a bit funny but is the most important part of your body. A person cannot live without a brain.
