Dear Sam,

It's great that you're going to visit on Saturday. What time are you going to get here? We can meet you at the bus station.

I'm sorry, but we can't go to the beach because my parents are busy. They're going to work in the garden in the morning. My dad's going to cut some branches and my mom's going to pick up the leaves. Maybe we can help them? For lunch, we're going to have a picnic in the forest near our house. Don't forget to bring your boots!

Bye,  
David

Hi, David!

That sounds great! I love walking in the forest and looking at insects. I'm going to bring my boots and my compass, too. OK? And yes, let's help your mom and dad.

I'm not going to take the bus. My mom's going to drive me to your house. We're going to be there at about ten o'clock and she's going to pick me up at eight o'clock in the evening.

See you on Saturday!  
Sam
