

Encourage your child's imagination and creativity with many attractive, and playful designs to cut out, color, and play with!

You need:

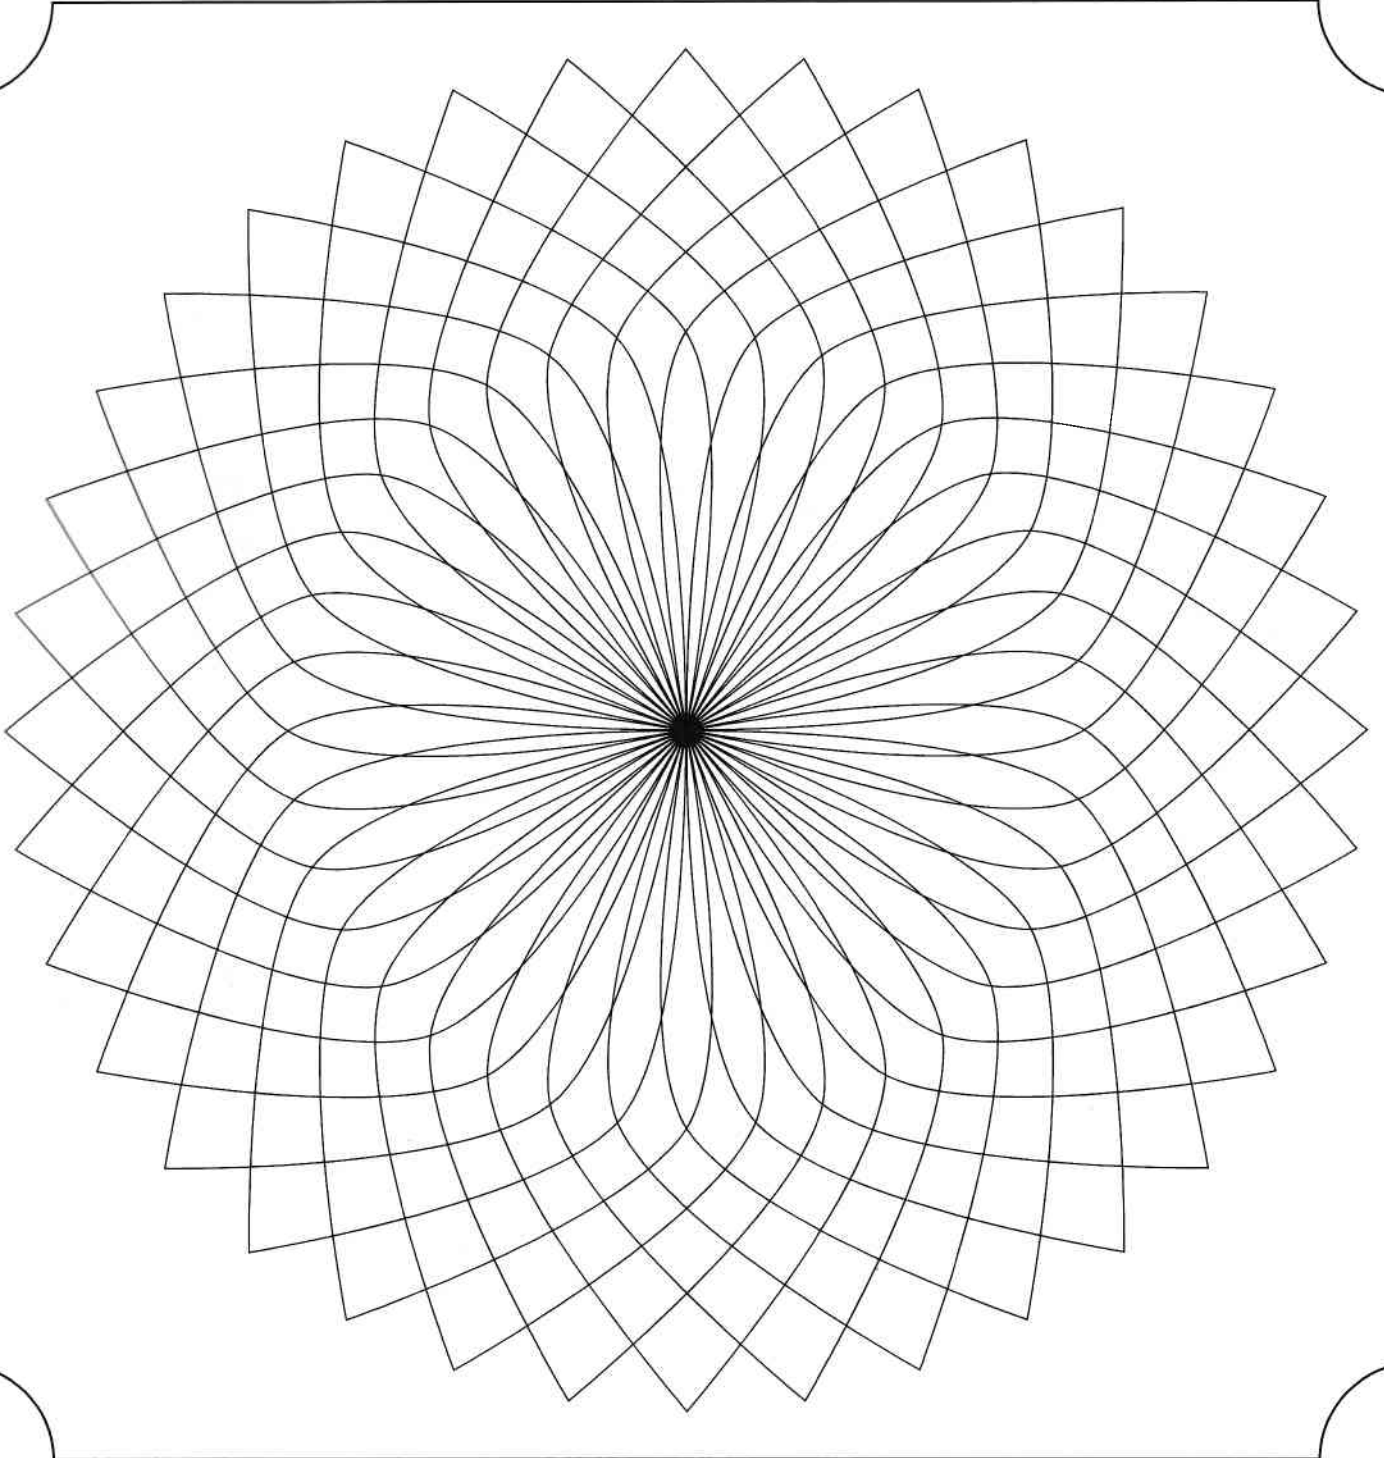

- scissors & cutter
- glue & tape
- elastic or string
- straws (from juice) or chopsticks (from cotton candy or skewers)
- crayons, colored pencils, or gel pens

You can also use:

- sequins or glitter
- bows
- colored feathers
- or whatever materials you have on hand to make one-of-a-kind creations.

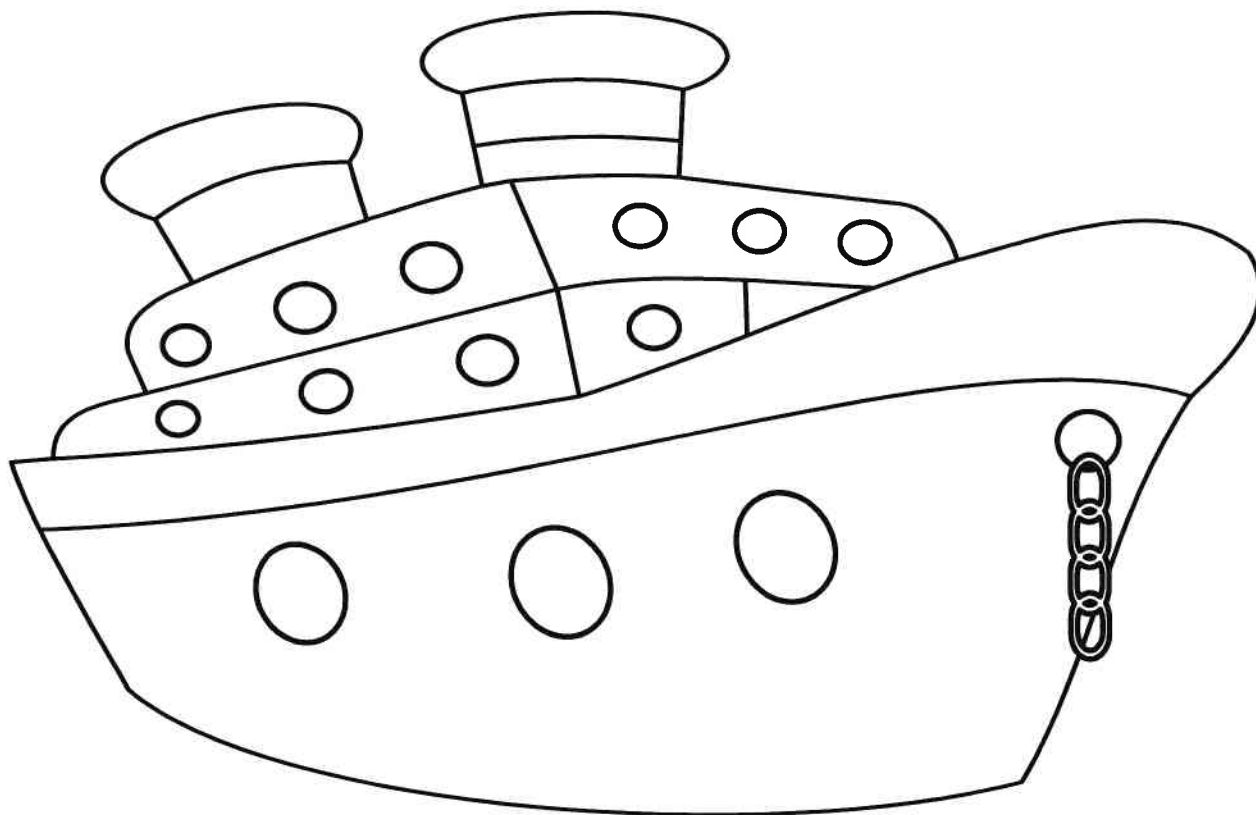

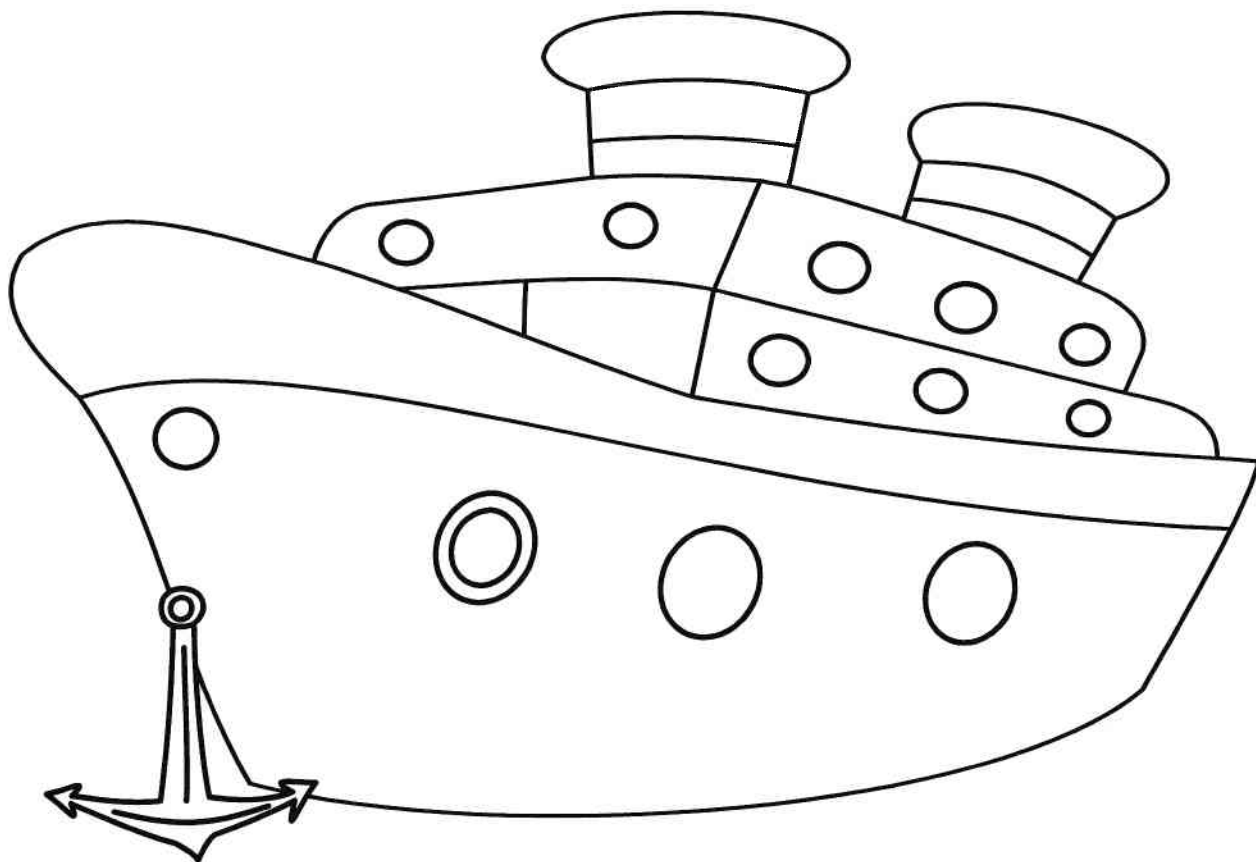

We recommend adult participation when cutting out!

Test your crayons, colored pencils, or gel pens

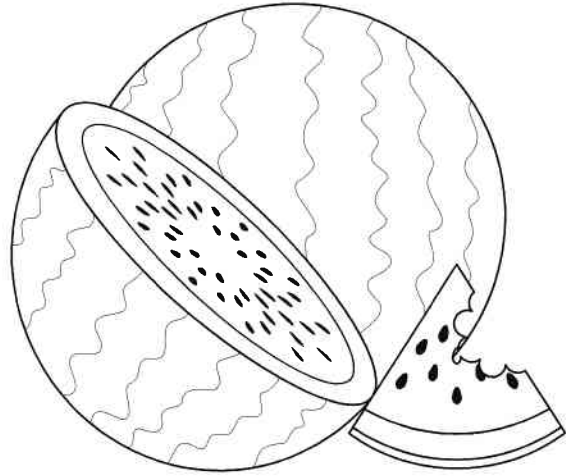

Ships

Spot the five differences and complete the drawings. Color them differently.

From A to Z

Find out what mammal eats this fruit. Color the drawings.
