early

Listen. Then say.

The thirsty bird arrived early  
To search for food and a drink.  
He tapped three times on my window  
To wake me up early, I think.  
I gave him a dish of water.  
He said, "Thank you!"  
And gave me a wink.

Listen. Then say.

I wish I could visit the fair,  
 Take a ride on a swing with a bear,  
 Way up in the clear blue air,  
 Feel the wind on my face and hair,  
 Then enjoy a delicious pear.  
 I'd be so happy way up there.

Imagine you are at the fair in 2. Draw a picture. Then show a partner and say the rhyme together.
