Once upon a time, there was a family of little pigs who lived in the same house. The three brother pigs had grown up and the time had come for them to have their own houses.

A fost odată ca niciodată, o familie de porceluși care locuiau în aceeași casă. Cei trei frați porceluși crescuseră și venise timpul să-și construiască propriile case.

The first little pig, the laziest of the family, thought that if he gathered a little straw from the fields, he would quickly be able to build a good hut and he asked the farmer who was harvesting it:

-Please farmer, will you give me a little straw to build myself a hut?
