A tracing card for the letter 'U'. It features a large red outline of the letter 'U' on the left. To its right is a blue square sticker with a smiley face. Below the 'U' are four vertical dashed lines for tracing, each starting with a red dot. The card is decorated with a colorful border of pink, yellow, and green shapes, and a yellow star at the top.

A tracing card for the letter 'J'. It features a large blue outline of the letter 'J' on the left. To its right is a blue square sticker with a smiley face. Below the 'J' are four dashed 'J' shapes for tracing, each starting with a blue dot. A blue pencil is positioned at the top right. The card is decorated with a colorful border of blue, green, and yellow shapes, and a yellow star at the top.

A tracing card for the letter 'L'. It features a large green outline of the letter 'L' on the left. To its right is a blue square sticker with a smiley face. Below the 'L' are four dashed 'L' shapes for tracing, each starting with a green dot. A green pencil is positioned at the top left. The card is decorated with a colorful border of green, yellow, and blue shapes, and a blue star at the top.

A tracing card for the letter 'M'. It features a large dark outline of the letter 'M' on the left. To its right is a blue square sticker with a smiley face. Below the 'M' are four dashed 'M' shapes for tracing, each starting with a black dot. A black pencil is positioned at the top right. The card is decorated with a colorful border of purple, blue, and yellow shapes, and a purple star at the top.

A colorful rectangular box with a pink border and a pattern of colorful dots and shapes. It features a large red outline of the letter 'N' on the left. To its right is a red pencil. Further right is a light blue square with a smiling face and a sticker tab. Below the large 'N' is a row of five smaller 'N's: the first is solid red, and the others are dashed red for tracing. A yellow star is at the top center, and a purple star is at the bottom right.

A colorful rectangular box with a purple border and a pattern of colorful dots and shapes. It features a large blue outline of the letter 'O' on the left. To its right is a blue pencil. Further right is a light blue square with a smiling face and a sticker tab. Below the large 'O' is a row of five smaller 'O's: the first is solid blue, and the others are dashed blue for tracing. An orange star is at the top right, and a pink star is at the bottom right.

A colorful rectangular box with an orange border and a pattern of colorful dots and shapes. It features a large orange outline of the letter 'P' on the left. To its right is an orange pencil. Further right is a light blue square with a smiling face and a sticker tab. Below the large 'P' is a row of five smaller 'P's: the first is solid orange, and the others are dashed orange for tracing. A blue star is at the top left, and a purple star is at the top right.

A colorful rectangular box with a green border and a pattern of colorful dots and shapes. It features a large green outline of the letter 'R' on the left. To its right is a green pencil. Further right is a light blue square with a smiling face and a sticker tab. Below the large 'R' is a row of five smaller 'R's: the first is solid green, and the others are dashed green for tracing. A yellow star is at the top left, and a blue star is at the bottom right.
