Peter Pan

Povesti
cu zâne

A colorful illustration of Peter Pan in a child's room at night. Peter Pan is wearing a green tunic and a green cap with a yellow feather. He is leaning forward, looking towards the viewer with a slight smile. The room has pink walls, a window with a view of a snowy night, and a clock on the wall. A shadow of Peter Pan is cast on the wall behind him. The scene is framed by a green, cloud-like border with snowflake patterns.

Wendy, John și
Michael Darling trăiau în
Londra. Într-o noapte, Wendy l-a întâlnit
pe Peter Pan, care i-a spus că umbra sa
nu trebuie să se dezlipească de el. Ca să
fie sigură, fata i-a cusut-o de
vârful pantofilor.
