Unește fiecare animal cu bulina corectă.

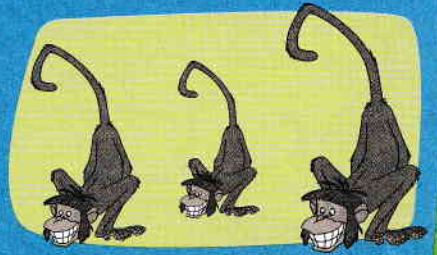

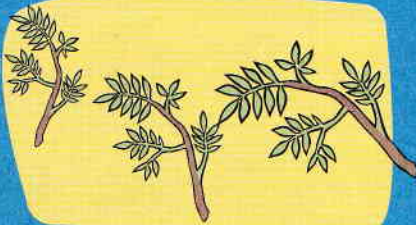

2

Încercuiește intrusul din fiecare chenar!

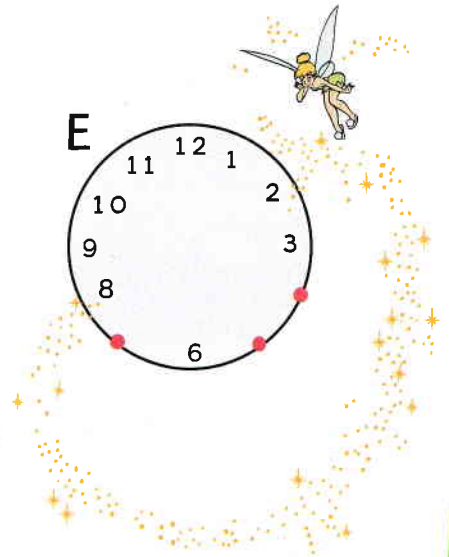

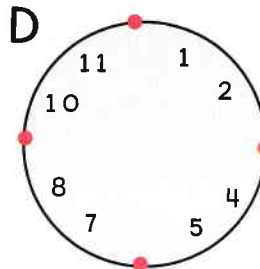

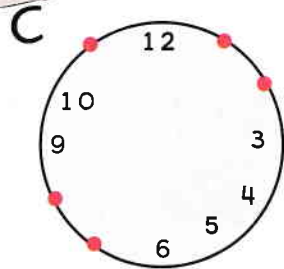

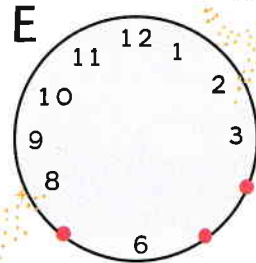

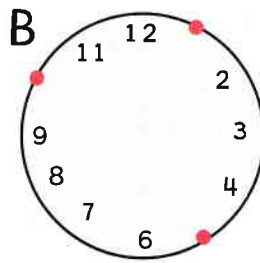

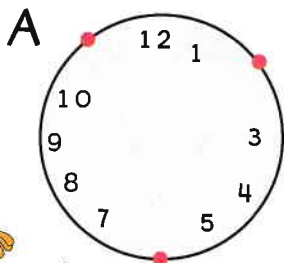

3

Încercuiește cel mai mare și cel mai mic element din fiecare chenar.

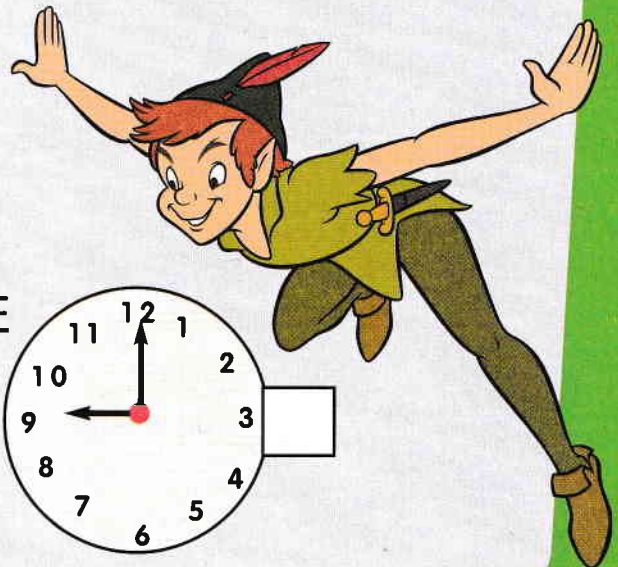

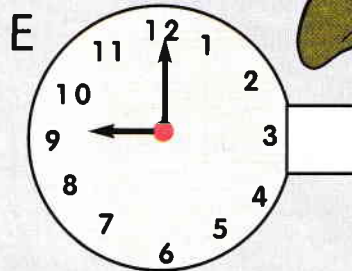

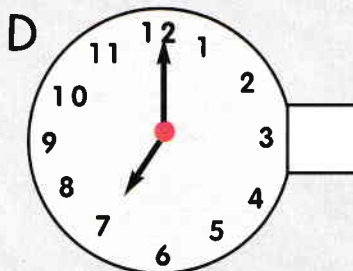

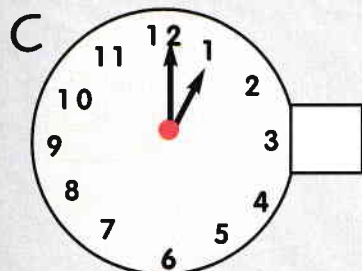

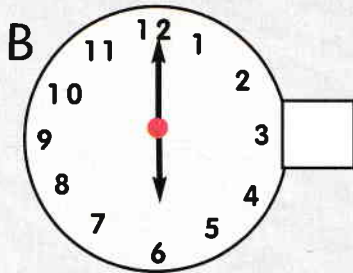

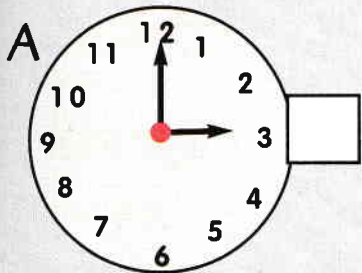

4

Scrie cifrele care lipsesc de pe cadranele ceasurilor.

5

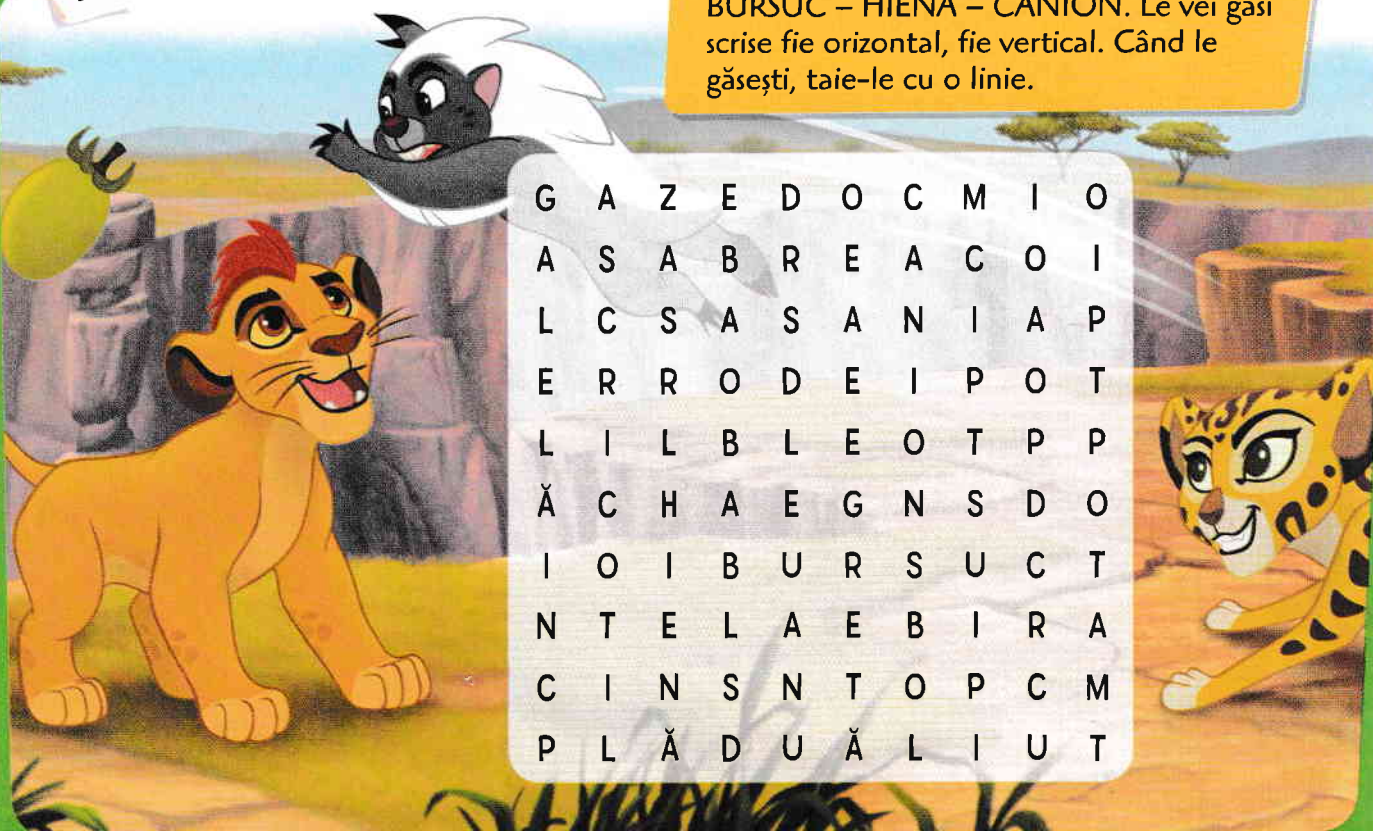

Când ceasul arată ora fixă, limba mare e îndreptată către 12. Limba mică e îndreptată către numărul care indică ora. Ce oră arată fiecare ceas?

Ajută-l pe Fulger McQueen să găsească mașina care apare o singură dată în careul de mai jos.

Caută în careul de mai jos cuvintele LEU – BURSUC – HIENĂ – CANION. Le vei găsi scrise fie orizontal, fie vertical. Când le găsești, taie-le cu o linie.
