

Dragi copii, bradul e pregătit,  
Așteaptă doar să fie împodobit,  
Creioane colorate se găsesc,  
Așa că... spor la colorare vă doresc!

Micul ren se bucură și sare  
Să-ntâmpine deja prima ninsoare.

Plutesc pe gheață ușor,  
Ca un adevărat patinator.
