Semne grafice

❖ Scrie următoarele semne grafice după model:

The handwriting practice sheet contains the following rows of graphic signs and stroke order guides:

- Row 1: Three vertical lines. The first is solid black with a downward arrow. The second is dashed pink with a downward arrow. The third is solid black with a downward arrow.
- Row 2: Three U-shaped curves. The first is solid black with a downward arrow at the start and an upward arrow at the end. The second is dashed pink with a downward arrow at the start and an upward arrow at the end. The third is solid black with a downward arrow at the start and an upward arrow at the end.
- Row 3: Three hook-like shapes. The first is solid black with a curved arrow at the top. The second is dashed pink with a curved arrow at the top. The third is solid black with a curved arrow at the top.
- Row 4: Three wavy lines. The first is solid black with a curved arrow at the top. The second is dashed pink with a curved arrow at the top. The third is solid black with a curved arrow at the top.
- Row 5: Four complex shapes. The first is solid black with multiple arrows showing stroke order. The second is dashed pink with multiple arrows showing stroke order. The third is solid black with multiple arrows showing stroke order. The fourth is dashed pink with multiple arrows showing stroke order.
- Row 6: Four vertical lines with dots at the top. The first is solid black with a downward arrow. The second is dashed pink with a downward arrow. The third is solid black with a downward arrow. The fourth is dashed pink with a downward arrow.
- Row 7: Five circular shapes. The first is solid black with a curved arrow at the top. The second is dashed pink with a curved arrow at the top. The third is solid black with a curved arrow at the top. The fourth is dashed pink with a curved arrow at the top. The fifth is solid black with a curved arrow at the top.

A a

- ❖ Încercuiește litera **A**:
acordeon
arici
rață
curcan
girafă
casă

carte

mașină

avion

❖ Scrie litera **A** după model:

A a

A a

M m

- ❖ Încercuiește litera **M**:
- minut
 - mama
 - mâncare
 - maro
 - melodie
 - numărătoare

m a i m u ț ă

l ă m â i e

m o r c o v

❖ Scrie litera **M** după model:

M m

M m
