Peppa Visits Santa

It was nearly Christmas. Peppa and her family were going on their first trip to the North Pole, where Santa lives. Peppa and George were *very* excited!

“Do you think we’ll see Santa, Daddy?” asked Peppa.
“Ho! Ho! Well, he’s a busy man this time of year,” explained
Daddy Pig. “But perhaps if we’re **really** lucky.”
“I hope we are,” said Peppa.
“San-ta!” agreed George.
