Traducere din limba engleză de Alin Sescu

LBRIS

We know
books

I was born from
an egg—like all
dinosaurs—but
my egg was
bigger and more
wrinkled than a
bird's egg.

LBDIS

We know
books

Am venit pe lume
dintr-un ou – ca
toți dinozaurii –
dar oul meu era
mai mare și mai
aspru decât oul
unei păsări.
