Care părți se potrivesc împreună?

Întregește animalele unind pentru fiecare partea din față cu
partea din spate.

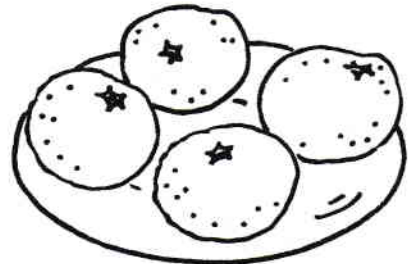

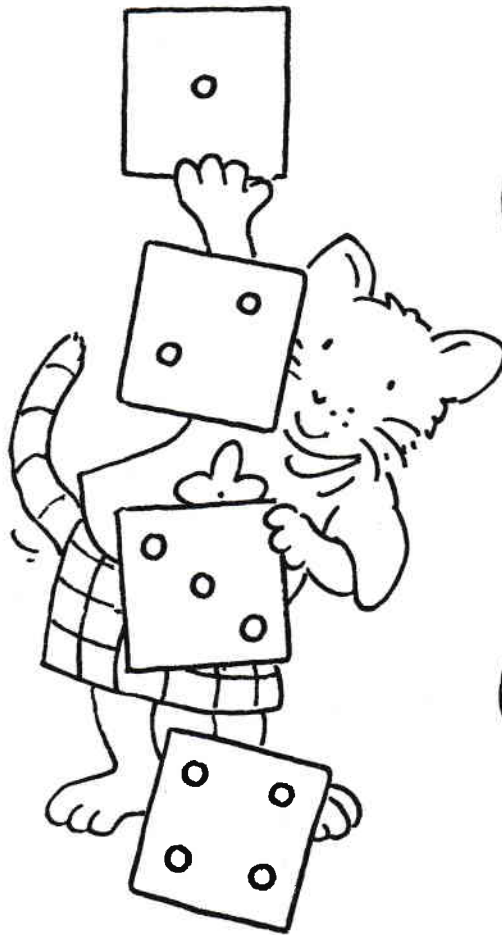

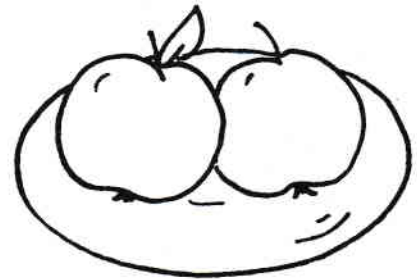

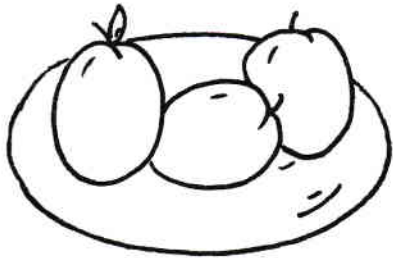

Gândește-te! Ce culoare a creionului nu se află în imaginea de
mai jos? Încercuiește-o!

Numără fructele din farfurii și punctele de pe zaruri. Unește fiecare farfurie cu zarul care corespunde numărului de fructe.

Fiecare lucru sau ființă de mai jos are un partener de rimă.

Spune cum se numesc cu voce tare.

Poți afla care se potrivesc? Desenează linii de legătură.
