Perechi preistorice

Crezi că toți acești dinozauri sunt la fel? Oare?
Unește cu o linie perechile identice!

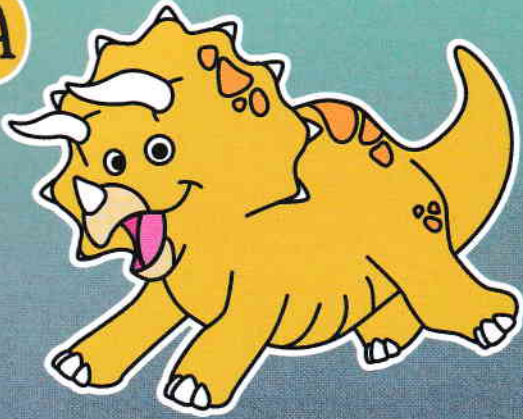

Unul dintre ei
nu are pereche.
Încercuiește-l!

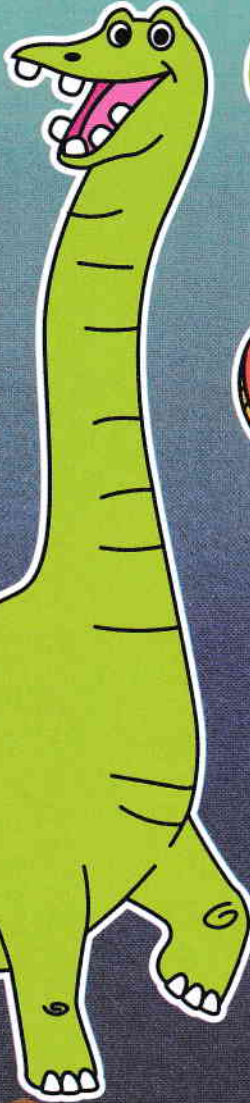

Descoperiri

Cel mai mic dinozaur pe care l-au descoperit oamenii de știință
era atât de mic încât putea să stea pe degetul tău!
Aranjează dinozaurii de mai jos de la cel mai mic la cel mai mare!
