

It is early in the morning and Dylan the farmer has a busy day ahead. First he is going to visit the milking shed where his wife Sasha works.

"I'll take her something tasty for breakfast," Dylan says, as he climbs into the tractor.

Start here and follow the track.

Slot the breakfast piece into the tractor, then slide it through the page.

Honk! Honk! Dylan drives the tractor to the milking shed to deliver the breakfast.

“My favourite!” says Sasha. “Can you please take Biscuit the sheepdog over to the meadow?”

Hello,
Dylan!

Meadow

Can you find the sheepdog
piece and slot it into the tractor?
