

Privește umbrele și lipește rațele la locul lor. Completează florile trecând cu carioca peste liniile punctate, apoi desenează altele noi.

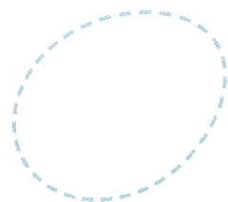

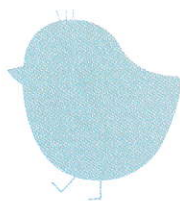

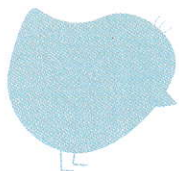

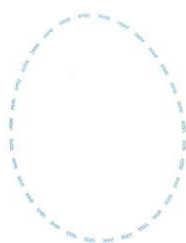

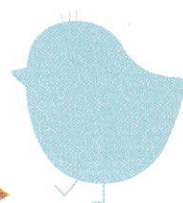

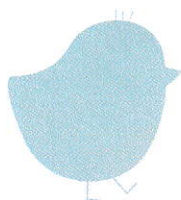

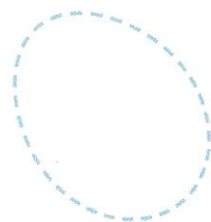

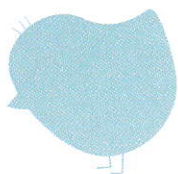

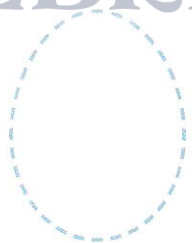

Privește cu atenție umbrele și lipește puii de animale.  
Apoi, unește-l pe fiecare cu părintele său.

Desenează stelele-de-mare urmând liniile punctate.  
Desenează câteva în plus și lipește peștii la locul lor.

Lipește puii de găină, apoi completează desenele pe liniile punctate.
