a Yes, there are.
There are three.

b No, there aren't.

c Yes, there is.
There's one.

7 Read and complete. Use *is*, *are*, *isn't* or *aren't*.

The frog

In my garden there 's a pond. It's not a big pond but there some fish and frogs in it. I go to the pond to play with my boat. There one frog that is my favourite. It swims next to my boat. Sometimes it jumps out of the pond onto the rocks. There any clouds in the sky today. It is very hot, it cold. There three frogs there today.
