

# LIBRIS We know books FIGURI GEOMETRICE

| NUME         |                                                                                   | LATURI | UNGHIURI | PERIMETRU                              |
|--------------|-----------------------------------------------------------------------------------|--------|----------|----------------------------------------|
| TRIUNGHI     |  | 3      | 3        | $P = l_1 + l_2 + l_3$                  |
| CERC         |  |        |          |                                        |
| PĂTRAT       |  | 4      | 4        | $P = l + l + l + l = 4 \times l$       |
| DREPTUNGHI   |  | 4      | 4        | $P = l + L + l + L = 2 \times (l + L)$ |
| ROMB         |  | 4      | 4        | $P = l + l + l + l = 4 \times l$       |
| PARALELOGRAM |  | 4      | 4        | $P = l + L + l + L = 2 \times (l + L)$ |

## CORPURI GEOMETRICE

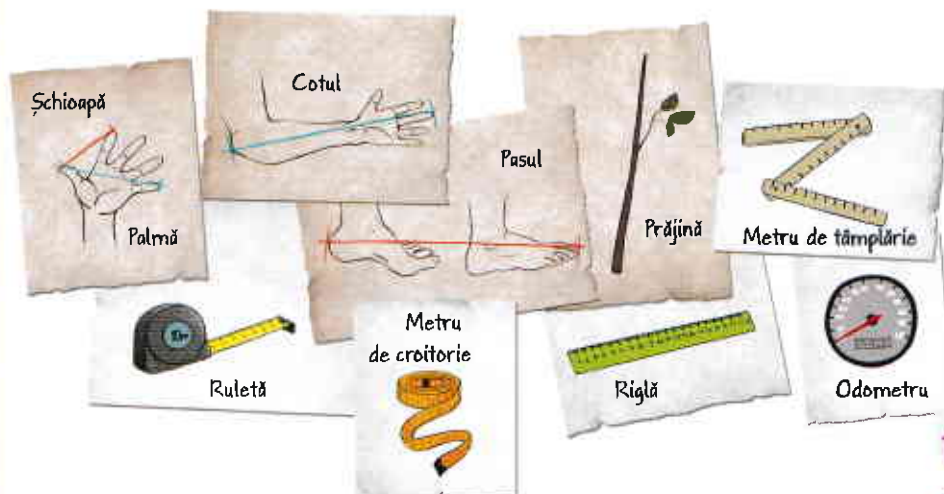

### Desfășurări ale corpurilor geometrice

# UNITĂȚI DE MĂSURĂ

## • pentru lungime

## • pentru volum

## • pentru masă
