
When Miss Rabbit
arrives, she zooms Peppa
up in her helicopter.
Peppa presses a button,
and fairy dust sprinkles
down on Santa's reindeer!

Peppa is decorating some delicious Christmas treats.

"We'll eat them once the icing is dry," says Mummy Pig.

Daddy Pig measures the paper, and Peppa holds it in place.
Then, George adds the sticky tape!

First, everyone has lots of fun building an amazing snowman.

Then . . . *Splat!* It's time for a snowball fight!
