Rabindranath Tagore

Trollius europaeus

*"Stretching his hand up to reach the stars,
too often man forgets the flowers at his feet."*

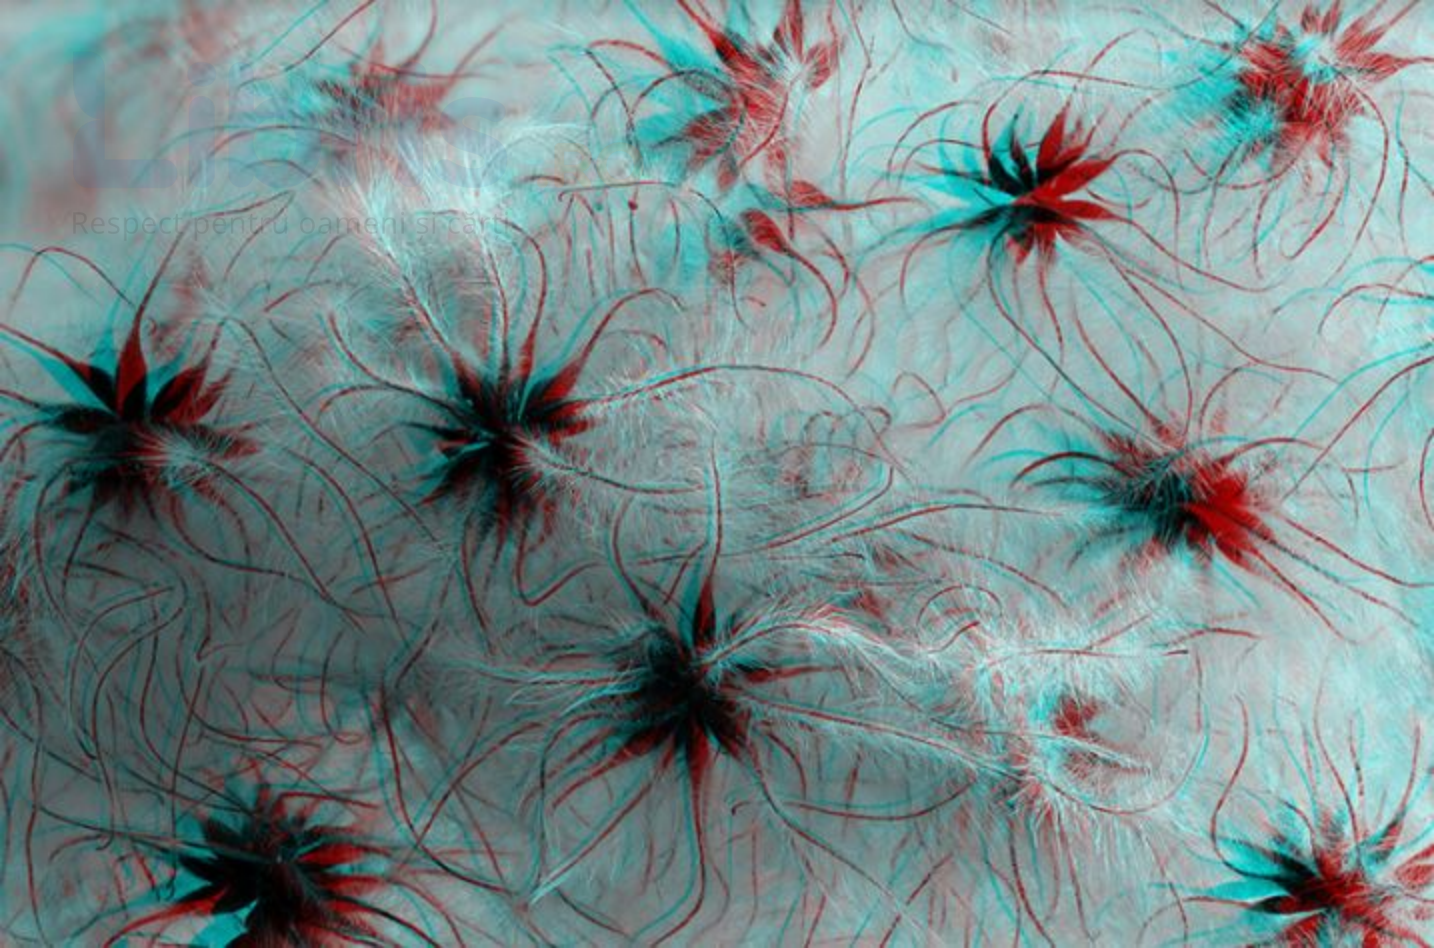

*"Întinzându-și mâinile să atingă stelele,
prea des omul uită de florile de la picioare."*

Jeremy Bentham

Echinops ruthenicus

The image features an abstract, textured background. It is composed of numerous fine, radiating lines in shades of red and teal, creating a star-like or floral pattern. The lines are dense and overlap, giving the impression of a woven or painted fabric. The overall color palette is dominated by these two colors, with some darker, almost black, areas where the lines are most concentrated.
