ANSWER KEY

- | | | | |
|--------|--|---------|---|
| 1. c | When we use the definite article "the" to speak about a specific candle, the only candle on a specific table (no other candle). | 7. a | "to be a success" |
| 2. c | John is one of many such persons, therefore we use an indefinite article. | 8. c | |
| 3. a | A range of + mountains/hills - zero article before the noun "mountains". We can also say "a mountain/hill range". | 9. a | We talk about Russian children in general, as a rule, therefore we don't use any articles; moreover, hair = uncountable, so it cannot be used with the indefinite article "a". |
| 4. c | "a" + noun beginning with a consonant or a word beginning with "u" only if pronounced /ju:/ ("a university") | 10. a | "an" + a noun/adjective beginning with a vowel |
| 5. a/c | | 11. b | "a sense of independence/confidence/liberty etc." |
| 6. c | "film" - as an uncountable noun → it cannot be used with the indefinite article "a". Moreover, here "film" is used to talk about things generally, therefore without an article. | 12. b | |
| | | 13. a/b | "hairs" - countable use of the noun "hair", in the plural ("fire de păr"); "a few" + countable noun = enough (hairs = „câteva fire de păr"); "few" + countable noun = not enough (hairs = „puține fire de păr") |

14. a "to have tea/toast, etc. for breakfast/lunch/dinner"
15. a **fear** – an abstract uncountable noun that in this case has a countable use → therefore we use "a".
16. a \emptyset article before uncountable nouns like "water"
17. a \emptyset article before uncountable nouns like "money"; the definite article "the" before a noun preceded by a preposition (in the bank, on the table)
18. a names of theatres, cinemas, hotels, restaurants – always accompanied by the definite article "the"
19. c the Houses of Parliament; the White House
20. a we use "the" before a noun meaning a place, not an institution; when we talk about the institution (a place for education), we use the zero article: *be at school, go to school* (= learn in a school).
