LIBRIS

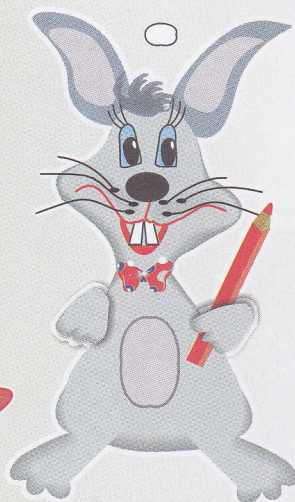

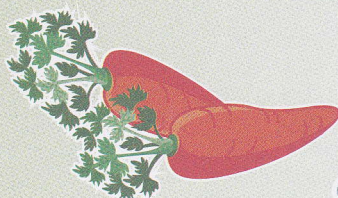

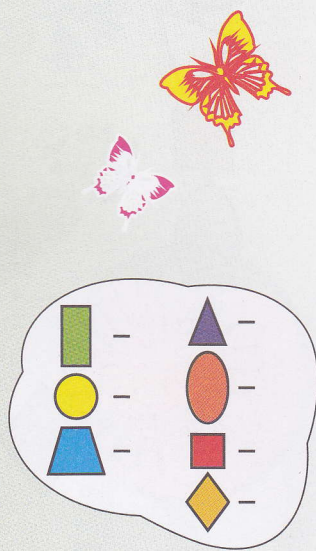

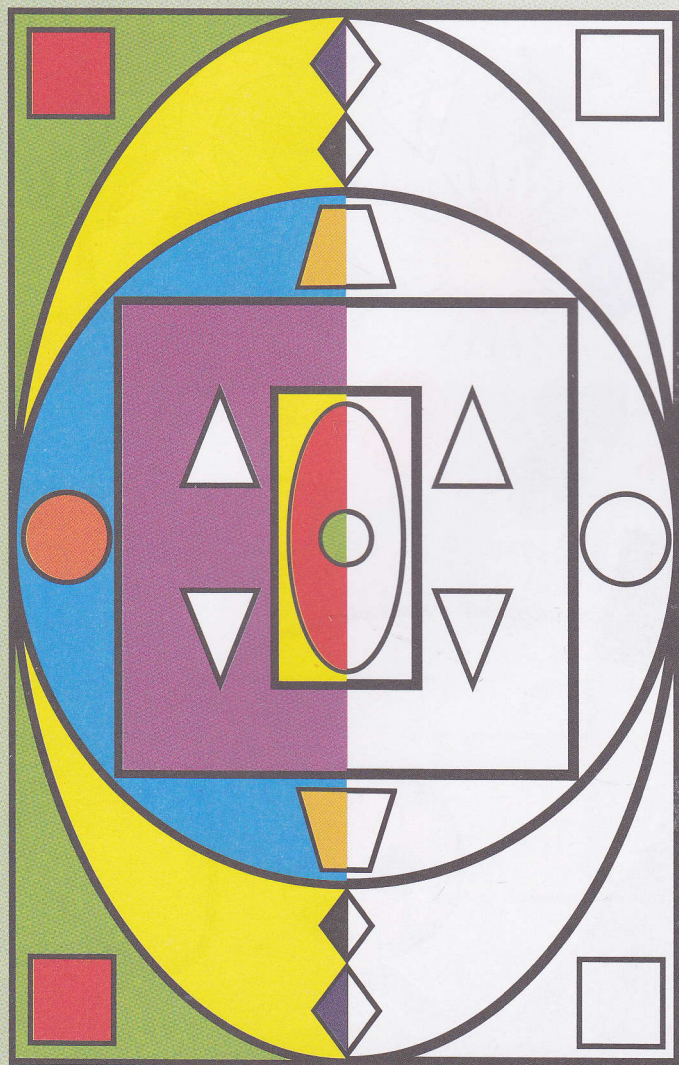

Numește-i copilului fiecare figură, iar apoi roagă-l s-o numească el, s-o contureze, s-o coloreze și s-o unească cu o linie cu desenul ce i se aseamănă după formă.

Îndeamnă copilul să-l ajute pe iepure să caluceze de câte ori se întâlnește în desen fiecare formă.

Resurse pentru oameni și cărți

Ajută copilul să continue șirul, unind printr-o linie formele din imagine ce corespund șirului completat.
