

PLAIUL MEU

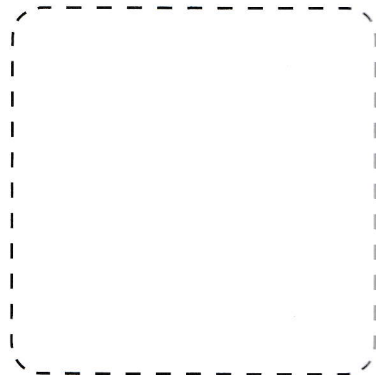

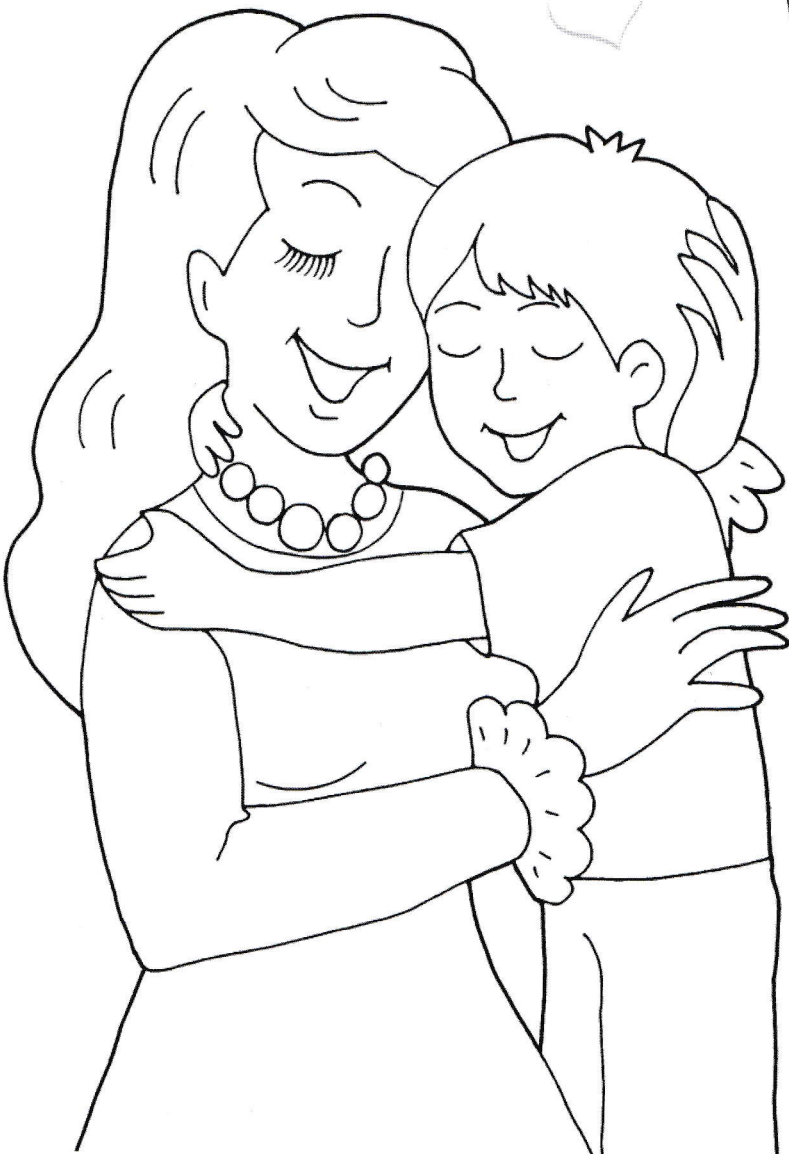

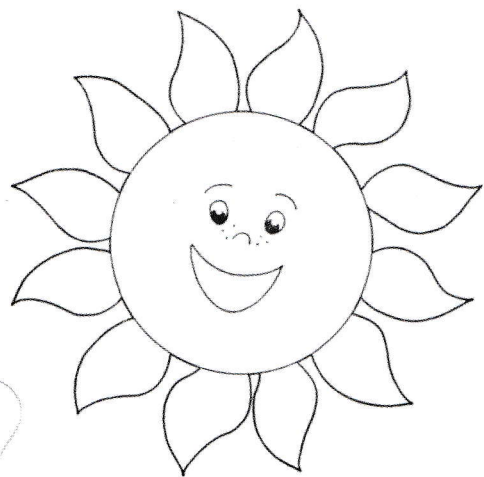

Am o casă printre ramuri,
Am un sat întreg de neamuri,
Am un codru, o câmpie,
Am un grai ce-mi place mie.

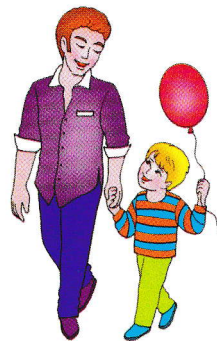

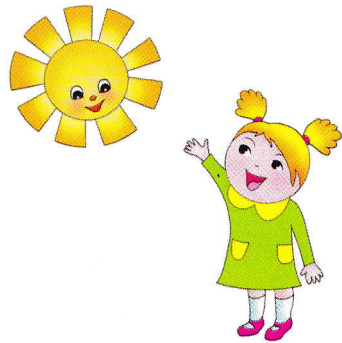

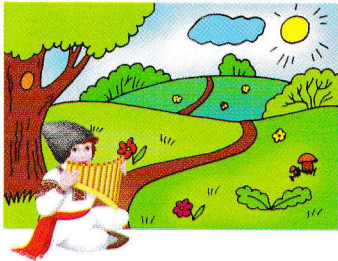

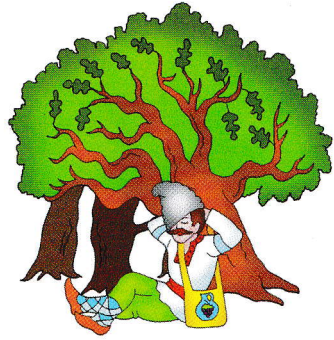

Am un plai ca din poveste,
Altul mai frumos nu este,
El mi-e drag până la stele
Și pân' dincolo de ele!

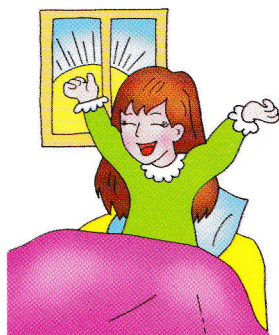

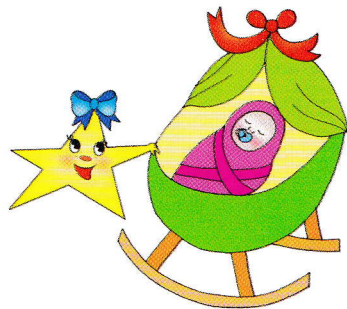

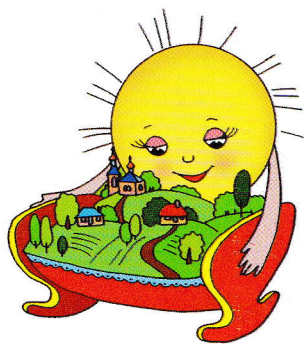

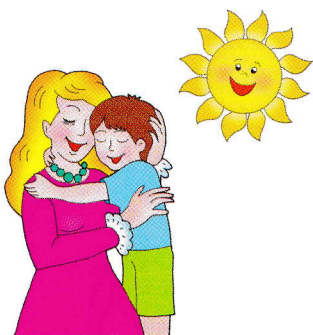

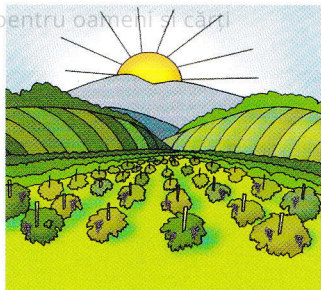

MAMA

**Mama ne mângâie,
Soarele lucește.
Soarele e unul,
Mama una este.**
