Încercuiește animalele în ale căror nume auzi
sunetul „a“.

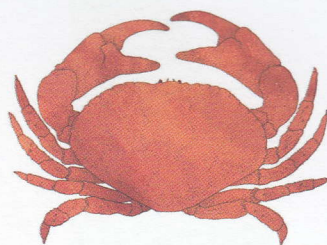

elefant

girafă

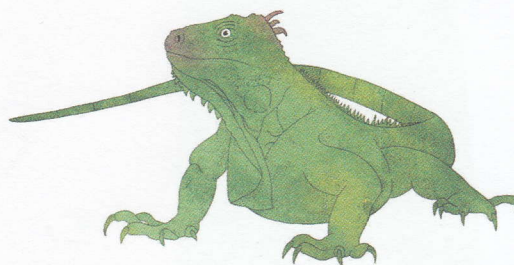

balenă

crab

jaguar

iguană

delfin

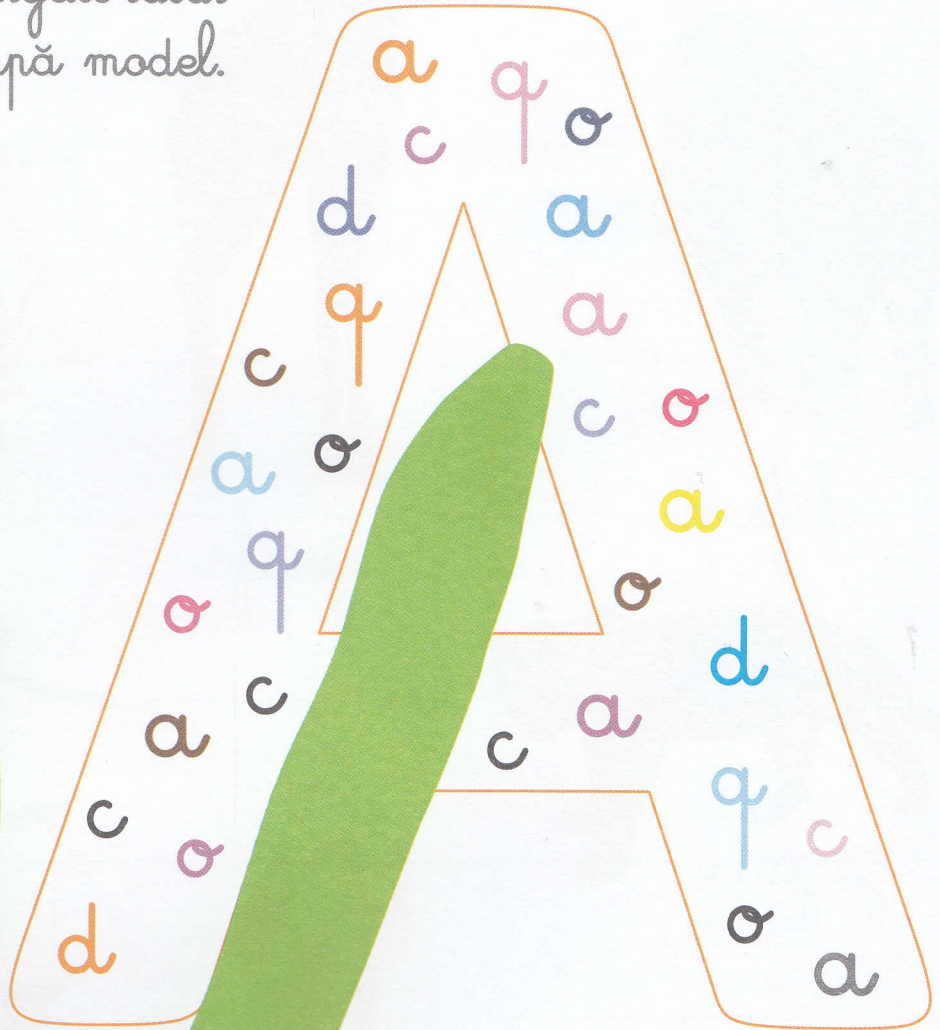

homar

cangur

Atenție, aligatorul vrea să devoreze literele **a**!
Încercuiește cu roșu toate literele **a** și cu verde
pe celelalte.

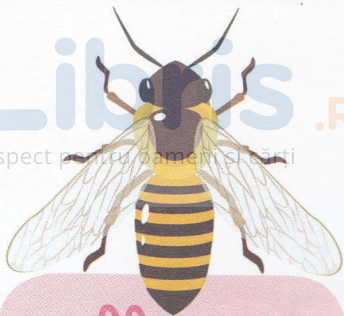

Desenează-i aligatorului
și alți dinți, după model.

Pornește din centru și urmărește cu degetul desenul acadelei. Trasează-l apoi cu creionul și desenează și alte acadele în jur.
