

Vreau să învăț

NUMERELE

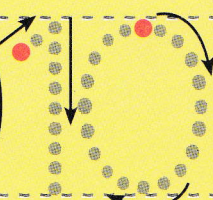

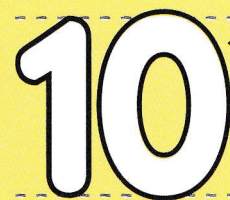

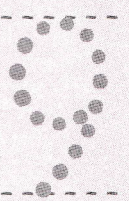

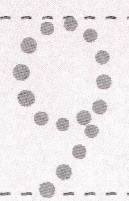

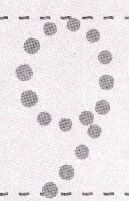

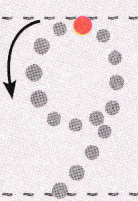

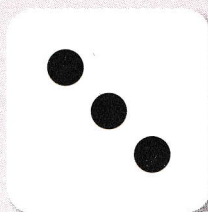

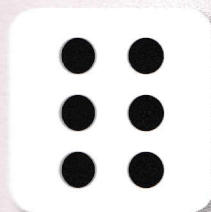

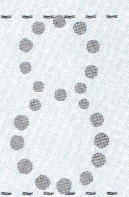

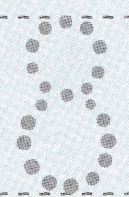

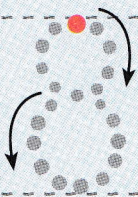

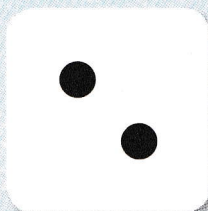

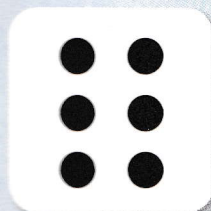

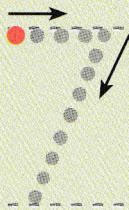

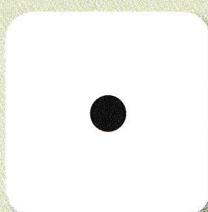

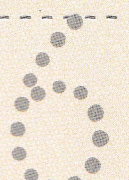

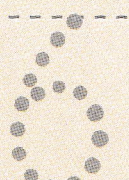

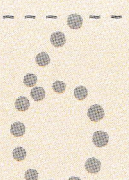

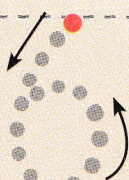

Numerele de la 1 până la 10

Numără bulinele de pe fiecare zar. Trasează cu degetul arătător cifrele, urmărind direcția săgeților.

Apoi, învață să scrii numerele de la 1 până la 10.

Completează rândurile, exersând după model.

Numără până la 10!

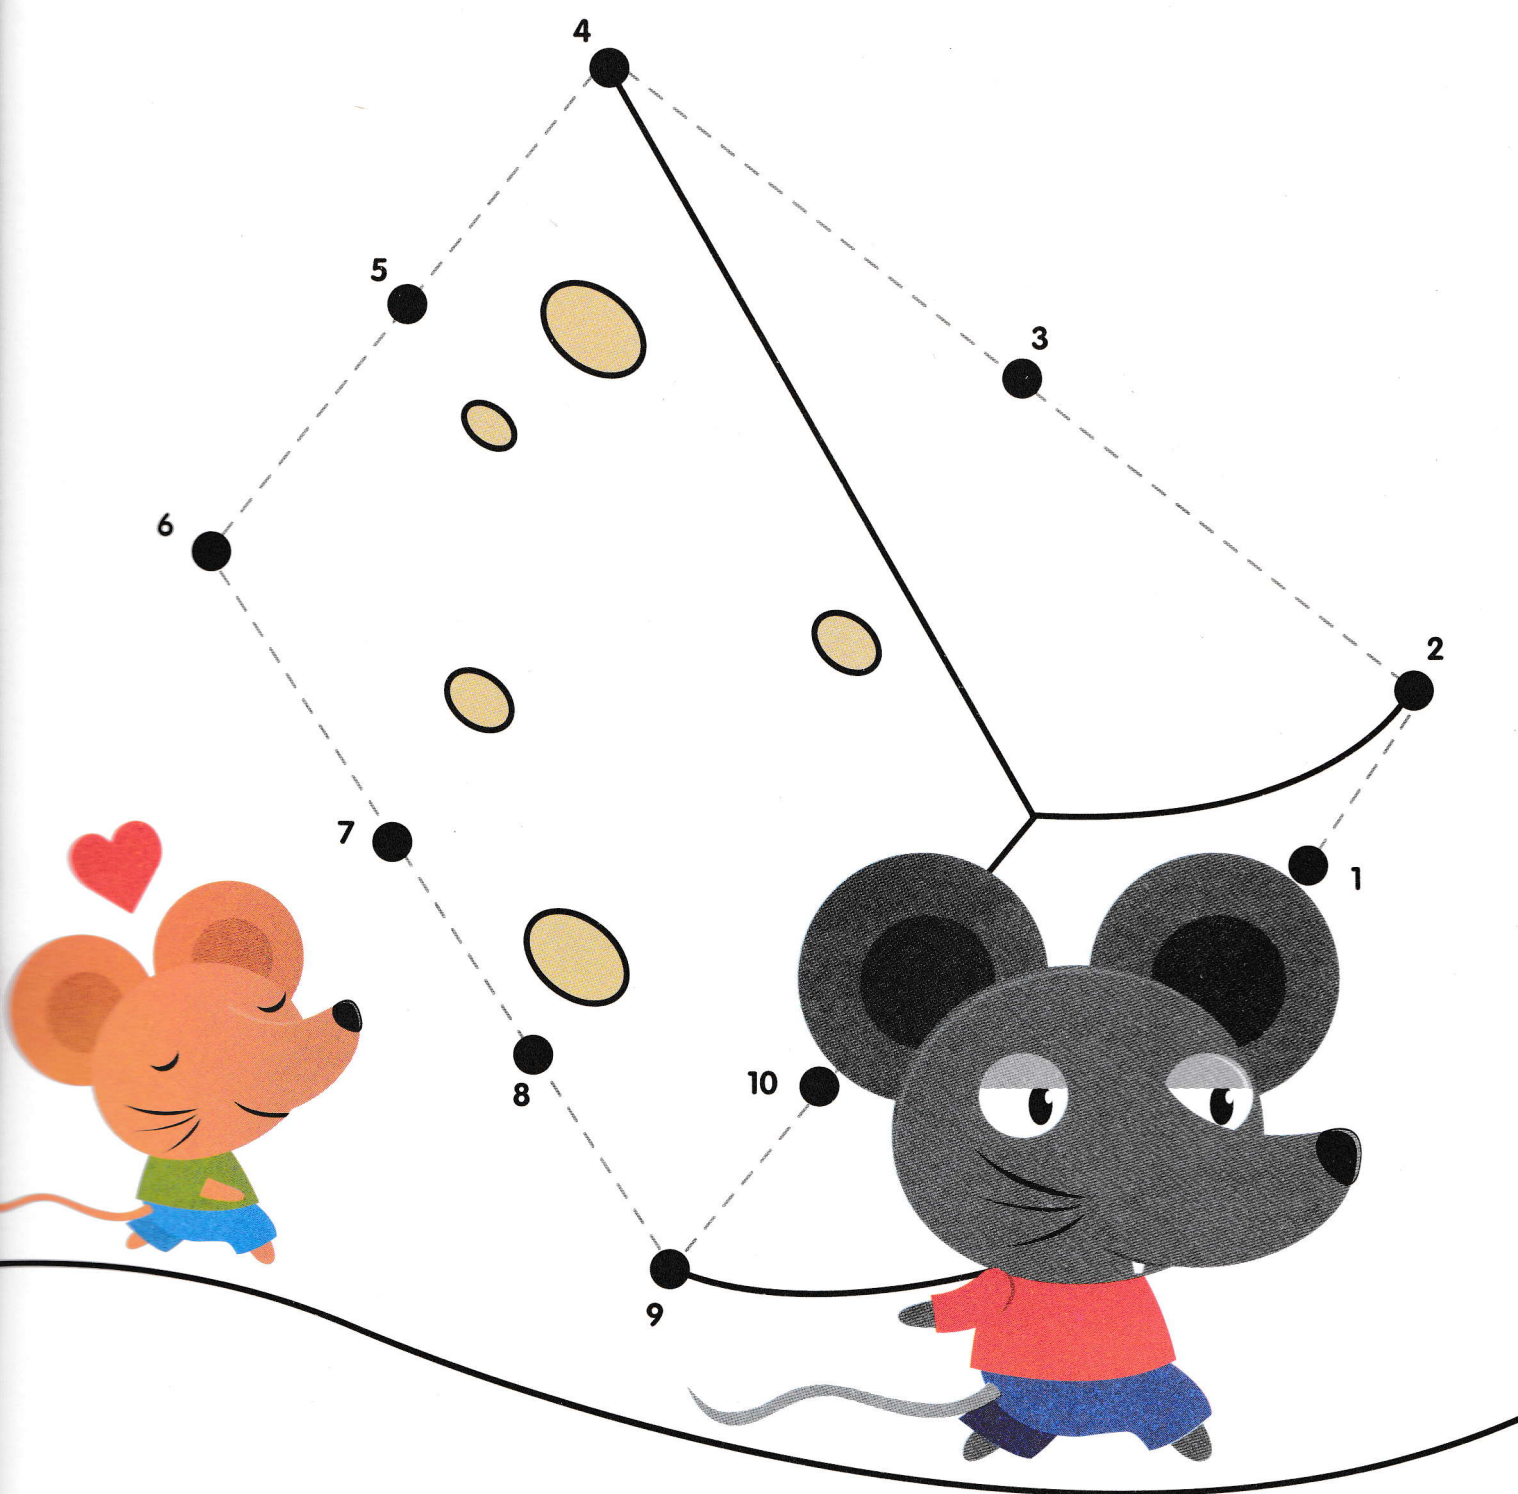

Trasează o linie între animalele de mai jos, de la 1 până la 10.

Rostește numerele cu voce tare.

Unește punctele!

Termină desenul unind punctele de la 1 până la 10.

Câte sunt?

Colorează fiecare desen conform codului de culori. Apoi, numără-le și scrie rezultatul în pătrățelul corespunzător.
